The Yellow Fairy Book - Illustrated by H. J. Ford Andrew Lang, 2018-01-31 The Yellow Fairy Book Illustrated by H J Ford forms part of Andrew Lang's Coloured Fairy Books series a series of twelve collections of fairy tales published between 1889 and 1910 Each volume is distinguished by its own colour and all in all 437 tales from a wide array of cultures and countries are presented Andrew Lang 1844-1912 was a Scots poet novelist and literary critic with a passion for folkloric story telling Most of his volumes including this The Yellow Fairy Book were beautifully illustrated by Henry J Ford 1860-1941 an inordinately talented artist who came to public attention with his illustrations for Lang The books

captured the imagination of British children and later became worldwide bestsellers in the 1880s and 1890s This Yellow Book contains classic fairy tales such as Story of the Emperor's New Clothes The Seven Headed Serpent The Three Brothers In the Land of Souls The Snow Daughter and the Fire Son The Swineherd The Tinderbox Thumbelina and many more Pook Press celebrates the great Golden Age of Illustration in children's classics and fairy tales a period of unparalleled excellence in book illustration We publish rare and vintage Golden Age illustrated books in high quality colour editions so that the masterful artwork and story telling can continue to delight both young and old

The Yellow Fairy Book Andrew Lang, 2012 It is well for the fairy loving public that Mr Andrew Lang should go bravely on publishing his delightful Red Blue Green and Yellow Fairy Books as if the cry of too many books had never been uttered The juvenile clientele whom he addresses is an ever increasing one and is as many colored as Joseph's or as Parsifal's coat So skilful a caterer as this keen eyed Scotchman is not often found an intellectual gourmand of the first water long since awarded the cordon bleu in the fine art of fairy tales he knows what his public likes the exacting appreciative boy and girl public whose instinctive cleverness tells them what is good and what is not His sympathetic nature makes all children congenial to him and he has remained child enough despite Homeric disquisitions and scientific fads in folk lore to pick out with infallible taste just what they like The Yellow Fairy Book is full of tales from uncouth tongues like Polish Hungarian Russian and Red Indian but also sprinkled with old favorites like Andersen's Tin Soldier and Grimm's Iron Stone A glimpse or two from the fanciful French Cabinet des Fes is also to be found in this capital collection which is prefaced by a good natured but sharp tongued stricture on the false position of Mr Laurence Gomme and his rather portentous Folk Lore Society This book is fully illustrated and annotated with a rare extensive biographical sketch of the author Andrew Lang written by Sir Edmund Gosse CB a contemporary poet and writer

The Yellow Fairy Book Andrew Lang, 2021-04-13 Published in 1894 The Yellow Fairy Book is the fourth installment in the series of fairytale collections known as Andrew Lang's Coloured Fairy Books and is comprised of stories collected from various foreign language sources including French German English Scottish Russian and Polish Moreover the tales not only intend to entertain but also offer an underlying didactic purpose as many of the stories place an important emphasis on righteous behavior Featuring 48 stories The Yellow Fairy Book includes a number of well known tales from renowned storytellers Hans Christian Andersen and the Brothers Grimm which may just ring a bell with titles including Thumbelina and Story of the Emperor's New Clothes A dynamic combination of royalty dragons witches a range of animals and an unlimited supply of danger and obstacles the compilation does not cease to amaze with its rich variety of fairy tales Needless to say it is a timeless piece guaranteed to enthrall both young and old readers for years to come

The Yellow Fairy Book Andrew Lang, 1894-02-18 The Editor thinks that children will readily forgive him for publishing another Fairy Book We have had the Blue the Red the Green and here is the Yellow If children are pleased and they are so kind as to say that they are pleased the Editor does not care very much for what other people may say Now there is one gentleman who seems to think that it is not

quite right to print so many fairy tales with pictures and to publish them in red and blue covers He is named Mr G Laurence Gomme and he is president of a learned body called the Folk Lore Society Once a year he makes his address to his subjects of whom the Editor is one and Mr Joseph Jacobs who has published many delightful fairy tales with pretty pictures 1 is another Fancy then the dismay of Mr Jacobs and of the Editor when they heard their president say that he did not think it very nice in them to publish fairy books above all red green and blue fairy books They said that they did not see any harm in it and they were ready to put themselves on their country and be tried by a jury of children And indeed they still see no harm in what they have done nay like Father William in the poem they are ready to do it again and again **The Yellow Fairy Book**

The Yellow Fairy Book Introduction

In today's digital age, the availability of The Yellow Fairy Book books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Yellow Fairy Book books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Yellow Fairy Book books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Yellow Fairy Book versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Yellow Fairy Book books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Yellow Fairy Book books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Yellow Fairy Book books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Yellow Fairy Book books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Yellow Fairy Book books and manuals for download and embark on your journey of knowledge?
