## **Theocratic Service Meeting Schedule:**

**Apocalypse Delayed** M. James Penton, 2015-01-01 For almost thirty years M James Penton's *Apocalypse Delayed* has been the definitive scholarly study of the Jehovah's Witnesses. As a former member of the sect, Penton offers a comprehensive overview of this significant religious movement.

**Maria's Keepers** Sam Human, 2024-02-01 Maria is a young woman raised as a Jehovah's Witness in South Africa, and this book documents her experiences of gender victimisation, sexual abuse, and cover-ups within the church, as well as her eventual escape from its doctrines and control. Maria's freedom came at a price; however, she can never see her mother and sister again. Entering the church is easy, but leaving it can be a matter of life or death, as Maria and countless others discovered.

**United States of America V. Mango**, 1954 **Jehovah's Witnesses** George D. Chrystides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses? What would attending a Kingdom Hall meeting involve? And if I invited door knocking Witnesses into my home? This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization. After outlining the Society's origins and history, the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member. The book then explores what is involved in being a Witness: congregational life, lifestyle, rites of passage, their understanding of the Bible, and prophetic expectations. It examines the various processes and consequences of leaving the organization, controversies that have arisen in the course of its history, and popular criticisms. Discussion is given to the likelihood of reforms within the organization, such as its stance on blood transfusions, the role of women, and new methods of meeting and evangelizing in response to the COVID-19 pandemic.

**The Orwellian World of Jehovah's Witnesses** Heather Denise Harden Botting, Gary Botting, 1984-01-01 Discusses the history and religious doctrines of the Jehovah's Witnesses and examines the parallels between the religion and George Orwell's novel 1984.

**United States of America V. Dal Santo**, 1953

**Zion's Watch Tower and Herald of Christ's Presence**, 1976 **Witness Tampering** Barry Grant Marsh, 2019-03-29 Barry Grant Marsh, who was a third-generation Jehovah's Witness, seeks to help others struggling to leave behind the Watchtower Bible and Tract Society dogma in this memoir that looks at Jesus Christ in a new light. He reveals the powerful training methods employed by Jehovah's Witnesses to manipulate and control their followers, as well as steps you can take as a Christian that will protect you from falling victim to this cult. Moreover, he provides tips on reaching out to loved ones who are members and advice on responding to Witnesses who knock on your door. Marsh also shares details from his own journey of finding Jesus, which took more than thirty years and was dominated by his dedication to an organization that brought him difficulty, disillusion, and disappointment. In the end, he realized that the Holy Spirit was there to lead him through it all. Join Marsh on a compelling and heartfelt journey toward biblical truth and start your own walk toward Christ with this incredible story.

**Occult Theocracy** Edith Queenborough, 2012 THIS BOOK makes no claim to literary merit. It is simply a work of

research and documentation giving evidence and facts which will help the reader in drawing his own conclusions The book is not complete simply because it will never be complete But for the present it is the best study of the root conditions which have led to present day subversive upheavals and the overthrow of the principles of Christian civilization The book is a fascinating journey into the various occult traditions from the 16th century to the early 20th century and reveals secrets that have long been hidden The author died under very mysterious circumstances and has taken much of the secrets with her into the grave Did she find out too much If you want to know everything about secret societies and conspiratory brotherhoods this is yours Be prepared for knowledge that reaches far beyond your current imagination

It traces their origins and development and a special section covers the founding organization and development of the movement in Great Britain A Qualitative Analysis of the Jehovah's Witnesses Daniel Cronn-Mills, 1999 Jehovah's Witnesses are possibly one of the most persecuted Christian organizations in the 20th century. How the Witnesses shape their response to persecution is invariably associated with the social reality they construct in their rhetorical practices. This is a descriptive analysis and interpretation of the social reality constructed by the discourse of the Jehovah's Witnesses utilizing a qualitative interpretive approach for exploration into a social reality. The purpose is to determine how the textual and contextual reality of Jehovah's Witnesses influences their lives and courses of action; how discursive practices are fundamental to their understanding of themselves and others. **New York Court of Appeals.
