Jeanne Guyon's Apocalyptic Universe Jeanne de la Mothe Guyon, 2019-03-14 In seventeenth century France Jeanne Guyon 1648 1717 writes about the suffering of the apocalypse followed by the consummation of the second coming Guyon believed that in our earthly pilgrimage we may find the way to union with our Savior Jesus Christ To read her commentary on Revelation translated into English here for the first time is to be caught up in her conversation with the living Lord We experience the wonder and passion of this conversation which is her authenticity at its highest level As Guyon expresses her love to Jesus Christ the words carry the attentive reader into the heart of God while deepening our own interior being In her commentary on Revelation Guyon interprets Jesus Christ's grace needed for living faithfully during the time of suffering in the apocalypse before the advent of the new heaven and new earth in which believers experience eternal union with God Guyon writes It is your universal reign that I desire O God and about which I am passionate So come Lord Jesus Let the grace of the Lord Jesus prepare us all for the second coming Amen

Society of Boilermakers and Iron and Steel Shipbuilders,1921 **Lily Whites of Steel** Lindsay Evelyn Hamilton,2013-12 Born into the flaming trenches of a true spiritual hell Lacey Hart spends her impoverished childhood lost in the strange shadow world between heaven and the demonic underworld in her senses She uses religion to mold herself into The Perfect Daughter so that she might evade her disturbed mother's malevolence Lacey is a demure child whose primrose sweetness and white laced stoicism hearken back to the puritanical era times when bewitchment infiltrated even the purest breath of beauty In school she is an idiot savant and she believes herself to be haunted by the devil But outside the physical emotional and sexual torture chamber of her home Lacey rarely ruffles feathers Then she turns eighteen Her sexuality which she has always felt had its roots in evil blooms like an overripe fruit from the center of her soul Around the same time Lacey and her best friend Sabrina uncover the gift that has both defined and isolated them all their lives intuition Emerging from the cocoon of their silence into awareness the two friends find themselves also immersed in the dark side of magic It is on this spiritual cusp between heaven and hell that they experience the heights of ecstasy but drift inevitably toward the dredges of humanity on the outskirts of life Like twinned flames Lacey and Sabrina embark upon the bohemian magical mystery tour of their twenties with the quixotic candor and unexpected bravery of the truly eccentric Then grave illness strikes unplanned pregnancy arises and they learn the power of true love to bloom one's spirit into the oneness with all things that is true freedom The story of two women who dare to submerge themselves completely into any given moment Lily Whites of Steel is a fearless exploration of the thin line between freedom and destruction dogma and authentic mysticism and perhaps most hauntingly of all truth and madness **A Soldier's Son** Maude Mary Butler,1912 **My Heart After Esther: A Mystic's**

**Philosophy of Love** Collins I. Aki,2017-01-24 My Heart After Esther could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itohahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itohahn's presentation of Belmarez's story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that

marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs
