Camaro Mike Mueller,2017-01-02 Camaro Fifty Years of Chevy Performance chronicles the first fifty years of Chevrolet s iconic Camaro through fascinating photography history and commentary about this legendary pony car The early 1960s saw American auto manufacturers desperately trying to sell cars to the emerging baby boom market Chevrolet attained some success with its sporty Corvair Monza Ford responded first with a sportier Falcon then with its grand slam home run pony car the Mustang At first Chevrolet hesitated to abandon the technologically advanced Corvair but when it finally entered the pony car market in 1967 its new Camaro instantly became one of the most iconic cars of the classic muscle car era When muscle cars went dormant for a generation it was once again the classic pony cars that jump started American performance The battle that raged between Camaro and Mustang in the 1980s rejuvenated the US auto industry s interest in high performance muscle cars The Camaro lost its way in the 1990s with Chevrolet pursuing technological advances and Ford pursuing classic American muscle As was the case in the 1960s Ford s muscular pony car trounced Chevrolet s technologically advanced sporty car in the race that mattered most showroom sales The Mustang thrived while the Camaro left the scene Fortunately that departure was only temporary Chevrolet introduced a twenty first
