Resources in Education ,1998 Surplus American Charles Derber,Yale R. Magrass,2015-11-17 The Surplus American considers a future where increasing numbers of Americans will be rendered jobless and redundant Exploring the ongoing crisis of surplus people today authors Charles Derber and Yale Magrass show that the jobless are merely the tip of the iceberg Drawing on the work of economists and highlighting new trends the book identifies a number of primary groups within the category of surplus including the underemployed people forcibly removed or induced to leave the labour force and retirees Derber and Magrass argue that a majority of the US public is now part of the surplus population constituting an integral part of the economy The authors conclude that these movements will be essential to solving the crisis of surplus people and redirecting the economy in a more positive direction **The Rise and Fall of Civic Education** Michael Learn,2024-09-16 Social studies is a field in crisis The crisis stems from failure to establish the very foundation of social studies purpose in public education civic education Social studies advocates have never put forth a coherent method for teaching civic education because policymakers and the public have been unable to agree upon a general definition of civic education This issue has disrupted the field since the early days As educators sought to include civic education within public schools as a dedicated field social studies evolved into a blending of history social sciences and civic education Social studies evolution never resolved the differences between the three with each discipline striving to control the narrative Instead of creating a unified field the disciplines devalued social studies and thus any discipline associated with it The Rise and Fall of Civic Education The Battle for Social Studies in a Shifting Historical Landscape investigates the changing definitions and purposes ascribed to social studies in the United States through time This result is viewed through the rising tensions from culture wars as America s divisive politics fight to control the narrative of the disciplines within social studies *Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record* ,1897 **Three Thousand Grammar Questions** Henry Kiddle,1889 **Sea Grant Publications Index** ,1975 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1896 **The Illustrative Lesson Notes** John Heyl Vincent,Jesse Lyman Hurlbut,John Thomas McFarland,1893 **A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century** Samuel Austin Allibone,1899 *Select Notes on the International Sunday School Lessons* ,1919 *Publishers' circular and booksellers' record* ,1897 Ultimate Sacrifice Lamar Waldron,Thom Hartmann,2013-08-22 Drawing on seventeen years of research thousands of recently declassified files and dozens of interviews Ultimate Sacrifice re creates and in many ways rewrites the crucial period of our history leading up to November 22 1923 In the process this groundbreaking account provides the missing pieces to the greatest tragic puzzle of post war America the true circumstances behind the assassination of President John F Kennedy Ultimate Sacrifice details a previously unknown Plan for a Coup in

Cuba authorized by President John Kennedy run by Attorney General Robert Kennedy and set for December 1 1963 The Kennedy plan unique and different from any previously disclosed operation was as detailed in a Joint Chiefs of Staff memo to have included a palace coup a provisional Cuban government and if necessary a full scale invasion by invited US military forces The CIA's code name for their part of the operation AMWORLD has never previously surfaced in any government investigation nor in any book or article making it one of the most covert operations in United States history Ultimate Sacrifice will detail how the Kennedy plan was penetrated by three mafia godfathers Carlos Marcello Santo Trafficante and Johnny Roselli being vigorously pursued by Attorney General Robert Kennedy along with a dozen of their associates six of whom were also working on the Coup plan The crime bosses then used parts of the Coup Plan AMWORLD to arrange JFK's assassination in a way that would prevent a truly thorough government investigation in order to protect the Coup Plan its participants and national security By using the secrecy surrounding the Plan the mob bosses would target JFK not only in Dallas but in two earlier attempts one in Chicago on November 1 and then one in Tampa on November 18 which Ultimate Sacrifice reveals for the first time in any book Ultimate Sacrifice has finally pieced together the whole story by building on the work of the seven governmental committees that have investigated aspects of the assassination on the work of former government investigators and on the four million documents that were declassified in the 1990s in addition to exclusive interviews with dozens of witnesses and participants including Secretary of State Dean Rusk Press Secretary Pierre Salinger and the Kennedys' closest Cuban exile aide Harry Ruiz Williams
