Strategic Spiritual Warfare Pat Hulsey, Ray Beeson, 2006-07-01 Hulsey details the dynamics of a global spiritual war described in the Bible. This interactive workbook gives information on demon spirits and shows how they interact with people in order to destroy the human race. Christian **Strategic Spiritual Warfare** Ikechukwu Joseph, This is a true story. His eye balls were rolling inside his skull as he came out of Cecilia's home. What is the problem we asked him. This is not the person I use to know because his behavior changed. As we began to pray for him he turned violent that three of us could hardly hold him down. About one hundred and forty four demons were cast out of him. The last twelve demons refused to leave as they claimed ownership of this brother. We stood our ground that brother Paul is a child of God. We rebuked and cast them out. Reluctantly they left remaining their leader that also left after all false claims. This violent brother by now was slain in the spirit and slept like a baby for quite some time. When he woke up he looked surprised wondering what has happened. What happened was that he had gone and laid hands on this said Cecilia when he heard her screaming and shouting. Cecilia was not born again and had been demon possessed and ran mental for years. The junior sister who is a Christian shared with us in fellowship how the demons that visit or that are in her senior sister Cecilia one day threw her the junior sister out of her own room to the outside. No hands seen but she was lifted up and thrown out. As Paul laid hands on her demons transferred into Paul's hand to his body. Hart,2020-07-05 The Art of Spiritual Warfare Frequency Revelator,2019-11-16 Although we are living in a physical world there are spiritual battles that we are engaged in with demonic forces in the spirit world Every believer is engaged in a three front war against the devil the world system and his own flesh whether or not we are aware of it The battlefield is in the spirit realm yet the outcome of these spiritual battles have an effect on the destinies of people in the natural realm This battle takes place in the invisible spiritual realm where the stage is set and battle lines have already been drawn against us by demonic forces It is a battle waged against us by Satan and his diabolical cohorts of the dark world If you are to live a victorious life and prevail in these trying times in which we live it is imperative that you learn how to engage in spiritual warfare lest you fall prey to the whims and vagaries of the devil Sadly today there is near universal paucity in practice in understanding of matters of spiritual warfare as dozens are of believers are still sailing their boats through shallow streams of spiritual understanding where spiritual warfare is concerned It is disheartening to note that dozens of believers seem to be inept at spiritual warfare for the most part and are deficient in understanding of spiritual weapons the Lord gave to the Church with which to fight our enemy Despite its significance in the Christendom today

spiritual warfare is the very area where Christians have little understanding and a main reason why they don't achieve the desired results from the Lord is because they never engage the enemy in warfare. It is for this reason that this publication has been brought into the limelight as a key weapon in the Body of Christ to unpack the divine revelations of strategic spiritual warfare. This book does not just devise the stratagems Christians can use to fight against satanic forces but also unpacks the divine concept of strategic warfare. A strategy is an intelligently formulated plan of action that is used to stay ahead of those who are competing against you. It gives you an upper hand or competitive edge over your opponents. Strategic warfare therefore implies understanding the art of warfare or how to fight battles in the spirit realm against satanic forces and influences. It connotes to how to fight battles in the spirit realm against satanic forces and influences and how to cast out demons either from the bodies of their victims or from the environment in your sphere of contact. The truth is that winning the battle is not an outcome of physical muscles or disposition of weapons but an art. This means that it requires a strategic thinking and spiritual intelligence to successfully engineer and win battles in the spirit realm. In this publication Apostle Frequency Revelator therefore unpacks the divine revelation that Spiritual warfare is an art that involves developing an understanding of who your enemy is, how he operates, what strategies he uses to fight against you, what his warfare base or strongholds are, and what his strengths, weaknesses, opportunities, and threats are. At a broader length, it incorporates a wide spectrum of spiritual acts such as understanding the spirit realm in which the devil operates, how to manoeuvre and navigate your way in the spirit world, how to cast out demons, how to obtain a legal precedent against the accuser, the devil, before the High Court of Heaven, as well as how to plead cases, accusations, and petitions lodged against believers before the Courts of Heaven. At a strategic level, spiritual warfare involves undertaking such strategic acts as taking over new territories for Jesus, reclaiming territories that have been taken over by enemy through the paradigm of ignorance, as well as strategically occupying political, financial, media, and all other territories that are deemed critical in the proliferation of the Gospel. This is what God expects you to do as a heavily armed warrior in His kingdom.
