The Road Out Deborah Hicks, 2013-02-12 Can one teacher truly make a difference in her students' lives when everything is working against them Can a love for literature and learning save the most vulnerable of youth from a life of poverty The Road Out is a gripping account of one teacher's journey of hope and discovery with her students girls growing up poor in a neighborhood that was once home to white Appalachian workers and is now a ghetto Deborah Hicks set out to give one group of girls something she never had a first rate education and a chance to live their dreams A contemporary tragedy is brought to life as she leads us deep into the worlds of Adriana Blair Mariah Elizabeth Shannon Jessica and Alicia seven girls coming of age in poverty This is a moving story about girls who have lost their childhoods but who face the street's torments with courage and resiliency I want out

says 10 year old Blair a tiny but tough girl who is extremely poor and yet deeply imaginative and precocious Hicks tries to convey to her students a sense of the power of fiction and of sisterhood to get them through the toughest years of adolescence But by the time they re sixteen eight years after the start of the class the girls are experiencing the collision of their youthful dreams with the pitfalls of growing up in chaotic single parent families amid the deteriorating cityscape Yet even as they face disappointments and sometimes despair these girls cling to their desire for a better future The author s own life story from a poorly educated girl in a small mountain town to a Harvard educated writer teacher and social advocate infuses this chronicle with a message of hope **Voices from a Black Miami Neighborhood** Sharony Green,2025-10-10

This Palgrave Pivot is a personal and universal history of gain and loss Via memoir and oral histories Sharony Green a native of Miami with ancestral roots in the American South and the Bahamas sheds light on ups and down of African American residents before and after the Second World War The author uses the Baa Haas an outlying community in Miami Dade County a region that is also a gateway to Caribbean and Latin America as a starting place to think through such things As early as the New Deal era white powerbrokers desired to relocate people of African descent from the lucrative waterfronts to a desolate and sandy area about twenty miles northwest of Miami s downtown This community was later nicknamed the Baa Haas presumably because its nearby prehistoric beach resembled California s Bajas beaches Whether spelled Baa Haas Bajas or Bahas the tiny neighborhood whose biggest landmark nowadays is Hard Rock Stadium is noteworthy It was not until whites themselves settled there first beginning in the fifties with the help of the 1944 GI bill that people of African descent aided by the Fair Housing Act of 1968 at last moved there Some arrived from older Miami communities like Liberty City Overtown and Coconut Grove or even elsewhere in the States Essentially two federal initiatives collided with positive gains for the oppressed As people increasingly find themselves displaced owing to gentrification this book permits an opportunity for readers to see what had been possible for prospective black homeowners *Lucky Dogs* Jerry E. Strahan,2016-09-21

When walking the French Quarter and watching a Lucky Dog salesman set up that colorful cart and call out to entice customers don t you wonder how such a business works As a knowing review in Rolling Stone stated People have always loved the cart and harbored a mysterious need to ride it Revelers have been known to climb on top of the rolling wienies screaming Yippee kaya as vendors stoically push them back to the barn at 4 a m Since 1947 the red and yellow carts have trumpeted good fortune and sustenance Jerry E Strahan recounts the wild adventures of the Bourbon Street wienie salesman but also takes readers well beyond New Orleans In fact he takes them halfway around the world where this unique pushcart business maneuvered its way through the bureaucratic red tape of a communist country to become a licensed corporation in the People s Republic of China In China two points quickly became apparent to Strahan First 99 percent of the Chinese population had no idea what a Lucky Dog cart represented One elderly passerby declared it to be a missile Second the success or failure of any joint venture in the Asian nation is directly proportional to the political clout of that company s local

partner Lucky Dogs also recounts how the business and its vendors survived Hurricane Katrina Miraculously it reopened only six months after the storm in a city where more than 80 percent of the landmass had been flooded and where less than 40 percent of the population had returned To reestablish itself in what many described as Third World conditions the company had to transform its operation This work mixes business history autobiography survival story and an insider s look at the bizarre lives of some of Bourbon Street s most quirky characters the dauntless Lucky Dog vendors Both humorous and tragic though it may read like fiction it is for better or worse all fact
