Strike Zone Dale Browns Dreamland :

Strike Zone Dale Brown, James DeFelice, Jim DeFelice, 2004 *Strike Zone* Dale Brown, 2004 Dreamland is rocked by the news that someone in the South China Sea has an unmanned spy plane as advanced and deadly as their top secret Flighthawk. Has security been breached? The Dreamland team not only have to search for a mole at home but embark on a desperate hunt for their mysterious rival and destroy it. **Strike Zone: A Dreamland Thriller** Dale Brown, Jim DeFelice, 2012-01-31 Only tomorrow's technology will keep America strong today. In the Nevada desert, the high tech future of warfare is being conceived and constructed at a top secret military facility called Dreamland. This is where miracles are born. An Asian war that would have escalated into a nuclear nightmare has been halted thanks to the raw courage, unparalleled skill, and total commitment of the Dreamland force. But an analysis of radar data has revealed the presence of an unknown super weapon in the area: a robot warplane with terrifying capabilities, dubbed the ghost clone. Though strikingly similar to Dreamland's own UMF Flighthawk, no one knows where this fearsome instrument of destruction originated, but a rogue nation possessing a squadron of them could wreak unimaginable havoc on an unsuspecting free world. Now nothing less than a brazen, brilliantly conceived deception will lure the ghost clone out of hiding, and only a daring strike on enemy soil can avert a tomorrow too terrible to consider if it isn't already too late. **Dale Browns Dreamland -Lib** Dale Brown, James DeFelice, Jim DeFelice, 2004-01-01 In the Nevada desert, the high tech future of warfare is being conceived and constructed at a top secret military facility called Dreamland. Dreamland Dale Brown, 2006 Dale Brown's Dreamland: Revolution Dale Brown, Jim DeFelice, 2009-10-06 In a volatile world, America's worst nightmares can become real anywhere, anytime, and with no warning. But there is one potent defense: a top secret military facility in the Nevada desert where the high tech future of warfare is being conceived and constructed. Masters of astonishing military technology that enables them to deploy almost instantaneously to any part of the Earth, the Dreamland team must now stop a dangerous revolution in the making in Eastern Europe where a mysterious group of insurgents has blown up an essential pipeline, thereby disrupting Europe's gas supply. With NATO and the EU paralyzed by the crisis, it falls to Dreamland's best and brightest to keep the world from the brink of another Cold War. But the secret hand of an old enemy is pulling the strings from the shadows, hoping to reap the rewards of chaos. And the devastating results...
