A Little Night Music Sera Cassell,2022-02-05 When Elise Wolf leaves her failing indie rock band for home she discovers famous rock star Tristan Morgan has purchased her family s violin shop But Elise has secretly hocked her family s

heirloom violin needs a job pronto and violins are all she knows Sidelined at home with a vocal cord issue and not knowing if he'll ever sing again Tristan bought the local music shop complete with upstairs apartment as a backup plan He just never imagined the previous owner's daughter would keep popping up begging for job While Tristan finds Elise persistent and annoying he admits he knows very little about the music shop business He hires her to help him sell off the inventory and prove he is the antithesis of the rock star she believes he is When she leaves her laptop open on a dating app he uses an anonymous name and befriends her His plan is to set her straight on a few things and never meet face to face Surprisingly through their messages he discovers they have a connection and working side by side he feels a spark Elise's perception of Tristan is that he's just another reckless egotistical rock star But when they have to work together on a daily basis she discovers the rocker has a real talent for classical music and his kindness and sincerity begins to knock down the hardened walls around her heart Maybe even enough to meet the person she's been talking to on a dating app While Elise is blissfully unaware that he is the one on the other side of the screen Tristan knows he's screwed He needs to come clean with his real identity but he's afraid there's a good chance someone's heart will be broken And it will probably be his Workplace romantic comedy with a You've Got Mail vibe Slow burn to high heat No cliffhanger

Jazz in Print (1859-1929) Karl Koenig, 2002 This anthology was compiled to aid the scholar working on the origins and evolution of jazz Covering materials published through 1929 it also begins with articles from 1856 which do not concern jazz directly but will serve to present a solid foundation for understanding the American music scene from which jazz developed Chronologically listed and well indexed the hundreds of articles comprise in effect a history of jazz as it evolved Beginning with accounts of negro music in the pre jazz era continuing in an exploration of spirituals followed by a description of ragtime we finally learn about the development of jazz from its practitioners and informed audiences of the time
