Cultural Spaces, Production and Consumption Graeme Evans,2024-02-02 This book explores the concept of cultural spaces their production and how they are experienced by different users It explores this concept and

practice from formal and informal arts and heritage sites festivals and cultural quarters to the production of digital fashion and street art and social engagement through cultural mapping and site based artist collaborations with local communities It offers a unique take on the relationship between cultural production and consumption through an eclectic range of cultural space types featuring examples and case studies across cultural venues events and festivals and cultural heritage and their usage Cultural production is also considered in terms of the transformation of cultural and digital creative quarters and their convergence as visitor destinations in city fringe areas to fashion spaces manifested through museumification and fashion districts The approach taken is highly empirical supported by a wide range of visual illustrations and data underpinned by key concepts notably the social production of space cultural rights and everyday culture which are both tested and validated through the original research presented throughout The book will appeal to students and researchers in human geography arts and museum management cultural policy cultural studies architecture and town planning It will also be useful for policymakers and practitioners from local and city government government cultural agencies and departments architects and town planners cultural venues arts centres museums heritage sites and artistic directors programmers

The Art Business Jeffrey Taylor, 2023-09-29 This book provides a comprehensive overview of the professional activities of the art business Addressing this fast moving industry The Art Business Art World Art Market analyses the sector's institutions and structures including galleries auction houses and art fairs The rapid development of art finance and its deployment of art as an asset class are covered and up to moment observations are delivered on the quickly evolving auction system that includes dramatic changes at the major auction houses Sotheby's and Christie's This edition highlights growing crises in the market including the ever more unbearable costs of art fair attendance and the lack of a reliable system for establishing ownership and title of artworks Ever more pressing ethical issues such as toxic museum donors cultural heritage compliance and problems of corrupt provenances are explored in detail Enhanced by new data analytics on the US art market the author also distils advice and guidance for working art professionals hoping to build their careers The result is an up to date picture of an art business suitable for students and practitioners across the creative sector

Street Art World Alison Young, 2016-11-15 Street art and graffiti are a familiar sight in all our cities Giant murals commemorate historical events or proclaim the culture of a neighborhood while tagged walls can function simultaneously as a claim to territory and a backdrop for an urban fashion shoot Street Art World examines these divergent forms and functions of street art This strikingly illustrated book explores every aspect of street art from those who spray it into being to those who revel in it on Instagram from its place under highway overpasses to one on the austere walls of high art museums What exactly is street art Is it the same as graffiti or do they have different histories meanings and practitioners Who makes it Who buys it Can it be exhibited at all or does it always have to appear unsanctioned Talking with artists collectors sellers and buyers author Alison Young reveals an energetic world of self made artists who are simultaneously passionate about an authentic form of expression and ambivalent about the

prospects of selling it to make a living even a fabulously good one Drawing on over twenty years of research she juxtaposes the rise and fall of art markets against the vibrancy of the street and urban life providing a rich history and new ways of contextualizing the words and images some breathtakingly beautiful that seem to appear overnight in cities around the world

An Anthropology of Contemporary Art Thomas Fillitz, Paul van der Grijp, 2020-05-15 Drawing on the exciting developments that have occurred in the anthropology of art over the last twenty years this study uses ethnographic methods to explore shifts in the art market and global contemporary art Recognizing that the huge diversity of global phenomena requires research on the ground *An Anthropology of Contemporary Art* examines the local art markets biennials networks of collectors curators artists patrons auction houses and museums that constitute the global art world Divided into four parts Picture and Medium World Art Studies and Global Art Art Markets Maecenas and Collectors Participatory Art and Collaboration chapters go beyond the standard emphasis on Europe and North America to present first hand fieldwork from a wide range of areas including Brazil Turkey and Asia and the Pacific With contributions from distinguished anthropologists such as Philippe Descola and Roger Sansi Roca this book provides a fresh approach to key topics in the discipline A model for demonstrating how contemporary art can be studied ethnographically this is a vital read for students in anthropology of art visual anthropology visual culture and related fields

Money and Marketing in the Art World Henrik Hagtvedt, 2024-10-21 How does the art market choose its winners thereby also deciding what millions of visitors to galleries and museums will view year after year Whereas art historical writing and contemporary commentary tend to highlight the efforts of specific artists this book illustrates how money and marketing in combination with general trends play decisive roles in shaping the art world and in propelling specific artists and artworks to positions of prominence Today perhaps more than ever before the high profile art world is primarily shaped by buyers and those who cater to buyers The actual artists although most visible to the public tend to play a secondary role The time seems particularly ripe for transparency about how the art world works given the growth in the art market media attention on and popular interest in high priced art and controversy surrounding public funding for art and the value of art for contemporary society With a combination of marketplace observations marketing insights and relevant research findings this book contributes to increased transparency while providing thought provoking digressions and anecdotes along the way *Money and Marketing in the Art World* offers an accessible analysis of the art market for scholars and graduate students across arts marketing and management as well as for those more broadly interested in art and business

The Parthenon Marbles and International Law Catharine Titi, 2023-05-24 The Parthenon marbles case is the most famous international cultural heritage dispute concerning repatriation of looted antiquities the Parthenon marbles in the British Museum's Elgin Collection The case has polarised observers ever since Elgin had the marbles hacked out of the ancient temple at the turn of the 19th century in Ottoman occupied Athens In 1816 a debt stricken Elgin sold the marbles to the British government which subsequently entrusted

them to the British Museum where they have remained since then Much ink has been spilled on the Parthenon marbles The ethical and cultural merits of their repatriation have been fiercely debated for years But what has generally not been considered are the legal merits of their return in light of contemporary international law This book is the first in legal scholarship to provide an international law perspective of the cause c l bre of international cultural heritage disputes and in doing so to clarify the new customary international law on the return of cultural property unlawfully removed from its original context The book which includes a foreword by Andrew Wallace Hadrill is a unique reference work on the legal case for the return of the Parthenon marbles and the new normative framework for the protection of cultural heritage Making Culture David Rowe, Graeme Turner, Emma Waterton, 2018-05-11 Making Culture provides an in depth discussion of Australia s relationship between the building of national cultural identity or nationing and the country s cultural production and consumption With the 1994 national cultural policy Creative Nation as a starting point for many of the essays included in this collection the book investigates transformations within Australia s various cultural fields exploring the implications of nationing and the gradual movement away from it Underlying these analyses are the key questions and contradictions confronting any modern nation state that seeks to develop and defend a national culture while embracing the transnational and the global Including topics such as publishing sport music tourism art Indigeneity television heritage and the influence of digital technology and output Making Culture is an essential volume for students and scholars within Australian and Cultural studies The Permanence of Temporary Urbanism Mara Ferreri, 2025-10-01 Temporary urbanism has become a distinctive feature of urban life after the 2008 global financial crisis This book offers a critical exploration of its emergence and establishment as a seductive discourse and as an entangled field of practice encompassing architecture visual and performative arts urban regeneration policies and planning Drawing on seven years of semi ethnographic research it explores the politics of temporariness from a situated analysis of neighbourhood transformation media representations and wider political and cultural shifts in austerity London Through a longitudinal engagement with projects and practitioners the book tests the power of aesthetic and cultural interventions and highlights tensions between the promise of vacant space re appropriation and its commodification Against the normalisation of ephemerality it presents a critique of the permanence of temporary urbanism as a glamorisation of the anticipatory politics of precarity which are transforming cities subjectivities and imaginaries of urban action **Vanity Fair** , 2014 **Art and its Market** Dirk Boll, 2024-07-17 The ultimate reference on the global art market now available as a newly revised six volume box set The art market is undergoing a transformation Digitalization new market structures and the evolving role of museums and critics have profoundly changed the art world Dirk Boll a renowned expert with 25 years of experience presents an in depth look into the mechanisms of the international art trade in this comprehensive six volume standard work A comprehensive insight into the art market This updated edition of Dirk Boll s renowned reference work explores the workings of auctions galleries and art fairs It provides valuable
