Stormy Weather 2002 Marking:

Stormy Weather D. Scala, 2003-12-04 In the coming presidential primaries no state is as important in setting the stage or affecting the odds as New Hampshire This small mountainous proudly distinctive state holds the first primary and the results both real and in comparison to expectations can greatly influence the competition for the highest office in the land Candidates who do well can create momentum and gain support while those who do worse than expected can be counted out Scala explains the distinctiveness of New Hampshire politics and how the candidates create strategies to appeal to the state's voters New Hampshire's sympathy for reformist candidates has the paradoxical affect of jumpstarting the campaigns of those candidates least representative of Democratic voters nationally The implications for Democratic chances to win the presidency in 2004 are discussed

Encyclopedia of American Gospel Music W. K. McNeil, 2013-10-18 The Encyclopedia of American Gospel Music is the first comprehensive reference to cover this important American musical form Coverage includes all aspects of both African American and white gospel from history and performers to recording techniques and styles as well as the influence of gospel on different musical genres and cultural trends
