

THE DUBE TRAIN BY CAN THEMBA

1. Summary

The narrator is at Dube Station in Soweto on a cold Monday morning, waiting for the train to Johannesburg. All his descriptions of the station and people emphasise his depression, which he feels is shared by all the people around him.

When he gets onto the train he sits opposite a huge man. When the train gets to Pheloni Station a young woman enters the carriage and sits next to the narrator. Soon afterwards a tsotsi jumps onto the train and begins verbally harassing the girl. When the girl reaches her stop and wants to get off the train the tsotsi prevents her and slaps her. She tries to get away from him by jumping over the narrator but the tsotsi follows her.

No one dares to say anything to stop the tsotsi, until an older woman starts shouting at the men and calling them cowards. This causes the tsotsi to swear at the woman. This angers the huge man sitting opposite the narrator and he gets up and moves towards the tsotsi. The tsotsi pulls out a knife and cuts the big man's chest and arm. The big man is enraged and, in spite of his injuries, he grabs the tsotsi and lifts him up. He throws him out of the train window.

Everyone is shocked, but the incident soon becomes just another event on the morning Dube train.

2. Title

The title focuses on the train journey rather than on any characters in the story. The writer intends us to see the train journey as a comment on the lives people experience. Even when bad things happen people just accept them. The incident on the train happens to people no one knows or is concerned about. It soon becomes: Just an incident in the morning Dube train.

individual awareness and responsibility and the teaching of Zorba the Buddha a celebration of the whole human being Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world Gender, Genocide, Gaza and the Book of Esther Sarojini Nadar, 2025-05-21 Gender Genocide Gaza and the Book of Esther bridges the gap between gendered and geopolitical analyses by interrogating both the sexual and ethnic violence embedded in the Book of Esther While much scholarship has examined the potential genocide of the Jews in the narrative far less attention has been paid to the Persian retaliation genocide Framed within decolonial feminist perspectives this book shifts between the harem the royal institution where women were sequestered for the king's use and herem the practice of divinely sanctioned warfare that justifies the extermination of an enemy Rather than operating as discrete forms of violence the book argues that the harem and the herem are co constitutive revealing how gendered and ethnic domination function in tandem Through a combination of narrative inquiry inter textual readings critical discourse analysis and theological assessments of both the biblical text and its contemporary reception Gender Genocide Gaza and the Book of Esther invites interpreters to consider the larger frameworks of ethnicity and racialization within which hermeneutics of sexual violence take place A close literary reading of Esther is paired with an analysis of its contemporary geopolitical appropriations particularly its use in Christian Zionist rhetoric The explicit invocation of the Amalekite extermination trope by Israel's prime minister in October 2023 to justify attacks on Gaza underscores the enduring political afterlives of texts of terror This book contends that a feminist reading of Esther cannot limit itself to an analysis of sexual violence but must extend its critique intersectionally engaging with the broader necropolitical economies that structure both ancient and modern deployments of biblical violence **A Vision of Order** Ursula A.
