All Over the Map Ron James, 2022-11-01 NATIONAL BESTSELLER Canada's most verbally virtuosic comic makes his literary debut and he's just as richly gloriously funny on the page as on stage His legion of fans the ones who ensure his every show the length and breadth of Canada is sold out recognize Ron James as one of the great stand ups of his generation His seemingly improvisational flights of fancy no two shows are ever the same are crammed with inventive phrase making feature a voluminous vocabulary and put every word into the service of uproarious comedy He sounds like a man born to write a great book and now at last he has But this is a book he has been writing for most of his life in his head in his car while driving from gig to gig In *All Over the Map* Ron has brilliantly captured the voice that has enthralled millions on stage and screen He also lets up a little on the usually relentless laughs though there are still plenty of those to reveal a new dimension to his beloved showbiz character His hilarious reminiscences of growing up in Nova Scotia and his early struggles as an aspiring comic his reveries on such topics as family country celebrity and lessons learned from myriad chance encounters will deepen our appreciation for this great comic and win him many new fans in his new role as author

Removing the Dragon Skin Jeremiah C. Braudrick, 2019-10-18 For anyone who has ever longed for God but always felt like his love was just out of reach for anyone whose messy story has made them feel like a third string player on God's team for anyone whose soul feels beaten battered and in desperate need of some healing C S Lewis just may have a remedy This collection of essays and memoirs delivered by an author whose fundamentalist upbringing painted a picture of a God who was simply impossible to please are written for anyone whose has struggled with their spiritual self worth After life threw him a few curveballs he was convinced that the God whose approval he yearned for simply had no use for him Lewis helped to changed that This story about falling back in love with God takes the reader on a three year journey in which the

author digested just about every word Lewis ever wrote including many of his classics his lesser known writings and even personal letters he wrote to family friends fans and even children The memoirs will journey to Lewis's home and favorite pub in Oxford his office in Cambridge his church his gravesite and more

Imbibing for Introverts Jeff Cioletti, 2022-11-22

With at least 60 recipes this wide ranging drinks book is ideal for anyone building their bar library tongue in cheek with humorous anecdotes and thoughtful illustrations it will also appeal to those who appreciate light hearted memoir and travel reading Long before the term social distancing entered the lexicon introverts were thriving But let's clear one thing up right away Being introverts doesn't mean we're all a bunch of hermits Introverts like going out as much as the next person as long as it's a manageable crowd less situation with comfortable places to sit The emptier the bar the better The less likely to be bothered by GASP other people even more ideal As a professional drinks writer and editor who travels solo a great deal for a living the author has learned a thing or two about drinking alone For instance seclusion is key Look for a bar that offers numerous opportunities to sequester yourself Avoid the communal tables sit as close to the end of the bar as possible a corner two top in a darkened room is best case scenario and don't skimp on the beverage Order something with complexity that makes you quietly contemplate what's in your glass how it got there and how your surroundings are accentuating the drinking experience Tiki bars are among the most conducive to that vibe as everything from the ingredients to the decor to the music is designed for just soaking it all in without distraction but never discount the daytime dive bar either Imbibing for Introverts combines the social survival tactics taught in guides like *The Introvert's Way* with the appreciation for thoughtful drinking found in travelogues like *Around the World in 80 Cocktails* From Frankie's Tiki Room in Las Vegas to New York's Dead Rabbit cocktail bar to San Francisco's Chinatown dive bar Li Po Imbibing for Introverts helps solo drinkers confidently pull up a seat at every genre and subgenre of drinking establishment The book begins in readers most comfortable setting their own homes before taking them out on the town to bars across the country and finally overseas There are more than a dozen chapters divided by bar type along with an introduction Introvert's Manifesto and epilogue Quarantine Confessions Each chapter features drink recommendations and cocktail recipes that relate to the particular setting so if desired you could also partake without the annoyance and sometimes anxiety ridden task of leaving the house

The Literary Role of History in the Fiction of J. R. R. Tolkien Nicholas Birns, 2023-12-22

This volume analyzes the literary role played by history in the works of J. R. R. Tolkien It argues that the events of *The Lord of the Rings* are placed against the background of an already existing history both in reality and in the fictional worlds of the books History is unfolded in various ways both in explicitly archival annals and in stories told by characters on the road or on the fly and in which different visions of history emerge In addition the history within the work can resemble or be patterned on histories in our world These histories range from the deep past of prehistoric and ancient worlds to the early medieval era of the barbarian invasions and Byzantium to the modern worlds of urbane civility and a paradoxical longing for nature and finally to great power rivalries and global prospects The

book argues that Tolkien did not employ these histories indiscriminately or reductively. Rather he regarded them as aspects of aesthetic and representative figuration that are above all literary. While most criticism has concentrated on Tolkien's use of historical traditions of Northern Europe, this book argues that Tolkien also valued Southern and Mediterranean pasts and registered the Germanic and the Scandinavian pasts as they related to other histories as much as his vision of them included a primeval mythic aura.
