Stranger In The Night:

Strangers In The Night Susan Johnson, Katherine O'Neal, Pam Rosenthal, 2004 Strangers in the Night features three of today's hottest award-winning authors. This collection will appeal to fans of historical romance anthologies. **A Stranger in My Bed** Debbie Sprague, 2013-06-27 A Stranger in My Bed takes you inside Debbie Sprague's life for an intimate view of a love story disrupted by the invasion of PTSD thirty years after the Vietnam War. The cycle moves from love to fear, anger, and despair. Stories unfold of her husband's battle with PTSD, displaying typical behaviors, triggers, and moods. Those familiar with this world will be comforted. That sounds just like my life, and I thought I was the only one. Others will find a new awareness. I had no idea it was like that. You will watch a family and marriage almost be destroyed by the contagious effects of PTSD. Yes, PTSD is contagious; the family can take on the symptoms even to the point of full-blown PTSD. Debbie was one of those people. As Debbie began to discover resources and find solutions for her problems, she realized sharing those solutions was her life purpose, what she had been preparing for her entire life. Debbie's gift to you is *A Stranger in My Bed: 8 Steps to Taking Your Life Back From The Contagious Effects Of Your Veteran's Post Traumatic Stress Disorder*. *Stranger in a Small Town* Kerry Connor, 2010-05-01 The mysterious blue-eyed stranger who showed up in the middle of the night wasn't just looking for work. No, when John Samuels signed on with Maggie Harper to restore the decrepit old house, he was hoping for answers and a chance to face the demons of his past. But then strange happenings started threatening his beautiful new boss and disrupting the passion that sparked between them. Someone didn't want them in that house. Someone who knew the truth about what had happened there thirty years before about the brutal murder that destroyed John's family. John never expected redemption. But danger waited in the old house, haunting them both. Catalog of Copyright Entries Library of Congress. Copyright Office, 1968 **Sexual Attraction** James Giles, 2015-06-30 One of a kind, very few scholars surprisingly have written so engagingly on the nature and varieties of sexual attraction. Elaine Hatfield, Professor of Psychology, University of Hawaii, USA. Illuminating. Terri L. Orbruch, Professor of Sociology, Oakland University, USA. Will make you think deeply about this rarely explored phenomenon. Robert Scott Stewart, Professor of Philosophy, Cape Breton University, Canada. Highly recommended reading for those who want a smart, articulate, and engaging investigation of the diverse body of sexual attraction research. Heidi Reeder, Associate Professor of Communication, Boise State University, USA. We all experience it, but exactly how and why does sexual attraction happen? Expert James Giles explores the universal yet highly individualized experience of being sexually attracted to another person. Incorporating interviews, research findings, and excerpts from romantic and erotic literature, lyrics, and film. *Sexual Attraction: The Psychology of Allure* explores a subject that is central to the human experience and highly relevant in not only personal, intimate interactions but also other relationships. Although the causes and effects of sexual attraction have been studied, sexual attraction itself, how we experience others in terms of their sexual attractiveness, remains a neglected, rarely researched topic. Philosopher and psychologist Dr. James Giles presents jargon-free

information that is accessible and fascinating to the everyday reader as well as highly useful and informative to students and researchers in social psychology sexology sex and marital therapy and relationship counselling The book explores subjects and types of relationship including How sexual attraction is fundamentally different from other forms of interpersonal attraction How at the heart of sexual attraction lies the experience of allure something that makes one feel helplessly drawn toward an intimate physical joining with the sexually attractive person Cross sex friendships and whether women and men can ever be just friends Can sexual relations actually enhance and strengthen the friendship without turning it into a romantic relationship Can you be in love with someone you don t actually like Friends with benefits Romantic partnerships

Strangers in the Bronx Andrew O'Toole,2015-06-01 Rare is the athlete who captures the imagination of a generation In Joe DiMaggio and Mickey Mantle sports culture had two such figures Undoubtedly DiMaggio and Mantle are two of the most revered names in baseball literature However there is one particular moment that has been overlooked by baseball historians and writers the 1951 pennant winning New York Yankees team DiMaggio s last year and Mantle s rookie season For that one year the paths of these two baseball icons converged the naissance of Mantle s career poignantly juxtaposed with the slow descent of DiMaggio s final season Strangers in the Bronx is more than a chronicle of a pennant winning team it is also a study of heroes the decline of an all too mortal American icon and the emergence of the newest sensation in sport

Strangers in a Stranger Land John B. Simon,2019-08-27 What did it feel like to be an openly Jewish soldier fighting alongside German troops in WWII Could a Jewish nurse work safely in a field hospital operating theater under the supervision of German army doctors Several hundred members of Finland s tiny Jewish community found themselves in absurd situations like this yet not a single one was

harmed by the Germans or deported to concentration or extermination camps In fact Finland was the only European country fighting on either side in WWII that lost not a single Jewish citizen to the Nazi s Final Solution Strangers in a Stranger Land explores the unique dilemma of Finland s Jews in the form of a meticulously researched novel Where did these immigrant Jews the last in Europe to achieve citizenship status come from What was life like from their arrival in Finland in the early nineteenth century to the time when their grandchildren perversely found themselves on the wrong side of WWII And how could young lovers plan for the future when not only their enemies but also their country s allies threatened their very existence Seven years researching Finland s National Archives plus numerous in depth interviews with surviving Finnish Jewish war veterans provide the background for a narrative exploration of love friendship and commitment but also uncertainty and terror under circumstances that were unique in the annals of The Good War The novel s protagonists Benjamin David and Rachel adopt varying survival strategies as they struggle with involvement in a brutal conflict and questions posed by their dual loyalty as Finnish citizens and Zionists committed to the creation of a Jewish homeland Tensions mount as the three young adults painfully work through a relationship love triangle and try to fulfill their commitments as both Jews and Finns while their country desperately seeks to extricate itself from an unwinnable war
