Campbell,Stephanie Wellman,2023-12-19 Justice Indigenous Peoples and Canada A History of Courage and Resilience brings together the work of a number of leading researchers to provide a broad overview of criminal justice issues that Indigenous people in Canada have faced historically and continue to face today Both Indigenous and Canadian scholars situate current issues of justice for Indigenous peoples broadly defined within the context of historical realities and ongoing developments By examining how justice is defined both from within Indigenous communities and outside of them this volume examines the force of Constitutional reform and subsequent case law on Indigenous rights historically and in contemporary contexts It then expands the discussion to include theoretical considerations particularly settler colonialism that help explain how ongoing oppressive and assimilationist agendas continue to affect how so called justice is administered From a critical perspective the book examines the operation of the criminal justice system through bail specialized courts policing sentencing incarceration

and release It explores legal frameworks as well as current issues that have significantly affected Indigenous peoples such as the Truth and Reconciliation Commission the Inquiry into Missing and Murdered Indigenous Women and Girls human rights resurgence and identity This unique collection of perspectives exposes the disconcerting agenda of historical and modern day Canadian federal government policy and the continued denial of Indigenous rights to self determination It is essential reading for those interested in the struggles of the Indigenous peoples in Canada as well as anyone studying race crime and justice

**Justice and Security Reform** Lisa Denney, 2014-01-10 Justice and Security Reform Development Agencies and Informal Institutions in Sierra Leone undertakes a deep contextual analysis of the reform of the country's security and justice sectors since the end of the civil war in 2002 Arguing that the political and bureaucratic nature of development agencies leads to a lack of engagement with informal institutions this book examines the challenges of sustainably transforming security and justice in fragile states Through the analysis of a post conflict context often held up as an example of successful peacebuilding Lisa Denney reveals how the politics of development agencies is an often forgotten constraint in security and justice reform and development efforts more broadly Particularly suited to upper level undergraduates and postgraduate students as well as practitioners this book is relevant to those interested in security and justice reform and statebuilding as well Sierra Leone's post conflict recovery

**Global Justice and Desire** Nikita Dhawan, Antke Engel, Christoph Holzhey, Volker Woltersdorff, 2015-05-15 Employing feminist queer and postcolonial perspectives Global Justice and Desire addresses economy as a key ingredient in the dynamic interplay between modes of subjectivity signification and governance Bringing together a range of international contributors the book proposes that both analyzing justice through the lens of desire and considering desire through the lens of justice are vital for exploring economic processes A variety of approaches for capturing the complex and dynamic interplay of justice and desire in socioeconomic processes are taken up But acknowledging a complexity of forces and relations of power domination and violence sometimes cohering and sometimes contradictory it is the relationship between hierarchical gender arrangements relations of exploitation and their colonial histories that is stressed Therefore queer feminist and postcolonial perspectives intersect as Global Justice and Desire explores their capacity to contribute to more just and more desirable economies
