your success with this spiritual power requires you to take committed daily action by aligning your thoughts words and feelings to your intention Once you have transformed your beliefs about what is possible your desire will show up in your life Unfortunately many people on this spiritual path read book after book about the Law of Attraction yet they fail to take the daily committed action that will help them manifest their desires My goal is that you succeed with your intention to manifest true and lasting love so I wrote this book as a clear guide that will provide you with easy to use practical tools that will help you manifest your soul mate In fact the information in this book has helped many people attract a soul mate and it can work for you too WHAT THIS BOOK CONTAINS This is not another Law of Attraction book filled with fluff and filler It s an instruction manual that gets right to the point by explaining exactly what you must do to manifest your soul mate with the Law of Attraction Using proven metaphysical practices spiritual insights and success stories I explain how you can create your intention and then manifest your soul mate by using the tools of manifestation correctly and consistently By the time you finish reading this book you will know exactly what you must do to manifest a loving relationship PART 1 of this book discusses the creative power of feelings and how you can use them to create the things and conditions you desire This section also explains how to get clear about what you want by creating an Intention Statement and a list of desirable qualities that reflect your specific desires PART 2 discusses the dynamic power of the spoken word and explains how you can use your words to shape your destiny It also contains a list of 250 spoken affirmations that will enable you to harness the power of the spoken word to manifest the love of your life PART 3 explains how you can use visualization to manifest your soul mate It also contains a number of detailed visualization scripts and success stories that will inspire you to use your imagination to create the life of your dreams PART 4 includes a detailed question and answer section that addresses some of the most important questions that relate to manifesting love And PART 5 explains how you can implement a Law of Attraction action plan for love and romance
