R Bowker Publishing,1996-09 **Applied Mechanics Reviews** ,1997 *Teaching and Learning Climate and
Environmental Justice in Law Schools* Richard Grimes,Stephen Levett,Rebecca Samaras,Rebecca Williams,2025-09-23
Arguing for the critical importance of the topic within law school curricula whether for academic credit purposes or not this
novel and exceptionally timely book explores a fundamental question should law schools teach about climate and
environmental justice Despite the urgency of climate and environmental protection issues many law schools present the topic
as optional for students or don t engage at all Arguing for the inclusion of climate and environmental justice at the earliest
possible opportunity this book presents study models in a variety of contexts and jurisdictions to support research into
curriculum development and design Case study examples of planned climate and environmental justice research and
offerings at national and international levels are presented to support those who wish to include and or expand provisions
This book also addresses concerns and initiatives of indigenous peoples demonstrating how partnerships between law
schools and others remain integral to establishing sustainable learning initiatives Ultimately promoting and supporting the
study of climate and environmental justice in a legal and applied context this book will be of interest to scholars researchers
and academics involved with sustainability education training and leadership legal education and curriculum design Clinical
legal educators may also find the volume of interest Scientific and Technical Aerospace Reports ,1994 Lists citations with
