Report of the NASFAA Task Force on Student Loan Indebtedness National Association of Student Financial Aid Administrators (NASFAA),2013 In light of increasing concern about student loans debt levels and rising default rates which coincide with worries about college costs affordability and transparency the National Association of Student Financial Aid Administrators NASFAA convened a task force in 2012 to study this issue and make recommendations for improvement NASFAA s Task Force on Student Indebtedness was charged with examining current trends and making recommendations aimed at improving the system for students and institutions throughout all stages of borrowing including pre borrowing in school and repayment NASFAA s Board of Directors reviewed and approved the eight recommendations featured in this report Taken together these eight recommendations address shortcomings in the current student loan system at each level of borrowing preborrowing in school and repayment They were each designed with the goal of achieving

- 1 More informed borrowers
- 2 More responsible borrowing
- 3 Tools or frameworks for institutions to assist borrowers
- 4 More borrowers successfully repaying their loans and
- 5 Federal and institutional policies that reinforce all of the above
