Critical Essays on William Faulkner Robert W. Hamblin, 2022-08-24 Critical Essays on William Faulkner compiles scholarship by noted Faulkner studies scholar Robert W Hamblin Ranging from 1980 to 2020 the twenty one essays present a variety of approaches to Faulkner's work While acknowledging Faulkner as the quintessential southern writer particularly in his treatment of race the essays examine his work in relation to American and even international contexts The volume includes discussions of Faulkner's techniques and the psychological underpinnings of both the origin and the form of his art explores how his writing is a means of saying no to death examines the intertextual linkages of his fiction with that of other writers like Shakespeare Twain Steinbeck Warren and Salinger treats Faulkner's use of myth and his fondness for the initiation motif and argues that Faulkner's film work in Hollywood is much better and of far greater value than most scholars

have acknowledged Taken as a whole Hamblin s essays suggest that Faulkner s overarching themes relate to time and consequent change The history of Faulkner s Yoknapatawpha stretches from the arrival of the white settlers on the Mississippi frontier in the early 1800s to the beginnings of the civil rights movement in the 1940s Caught in this world of continual change that produces a great degree of uncertainty and ambivalence the Faulkner character and reader must weigh the traditions of the past with the demands of the present and the future As Faulkner acknowledges this process of discovery and growth is a difficult and sometimes painful one yet as Hamblin attests to engage in that quest is to realize the very essence of what it means to be human *Folktales of Love From China* Chiu Yong Poon,2017-03-27 Folktales of Love from China Can Help You Study the Last Book of the Bible 2nd Edition by Chiu Yong Poon Why did the casting of the miraculous medal and the making of the statue of the virgin of the Globe cause St Catherine Laboure so much anguish What hints at this answer Read this book in relation to its first edition published in China in 1989 the second edition adds material from the Cultural Exchange to every folktale of the first edition This second edition painstakingly designed and carefully constructed encourages Bible Study and can enrich the reader s appreciation of Marian apparition Shrines Read the book It has substantial content The works have a strong flavor of common people s literature
