Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record ,1895 **Max Weber and His Contemporaries** Wolfgang J. Mommsen,Jurgen Osterhammel,2013-10-28 Max Weber and His Contemporaries provides an unrivalled tour d horizon of European intellectual life in the late nineteenth and early twentieth centuries and an assessment of the pivotal position within it occupied by Max Weber Weber s many interests in and contributions to such diverse fields as epistemology political sociology the sociology of religion and economic history are compared with and connected to those of his friends pupils and antagonists and also of those contemporaries with whom he had neither a personal relationship nor any kind of scholarly exchange Several contributors also explore Weber s attitudes towards the most important political positions of his time socialism conservatism and anarchism and his own involvement in German politics This volume contributes not only to a better understanding of one of the most eminent modern thinkers and social scientists but also provides an intellectual biography of a remarkable generation This book was first published in 1987

One Hundred Years of Masochism ,2022-06-08 Just over a century has passed since the sexologist Richard von Krafft Ebing coined the term masochism in a revised edition of his Psychopathia Sexualis 1890 Put into circulation as part of the fin de si cle process through which sexuality and sexual practices considered deviant became medicalized this suspicious concept grew in significance and explanatory power in the expanding new context of psychoanalytic discourse Today the study of masochism shows signs of becoming a discipline in its own right the political social and cultural ramifications of which exceed and indeed render problematic traditional psychoanalytic perspectives on the phenomenon The essays in this volume demonstrate however that the concept of masochism still offers a point of entry into psychoanalytic theory that while revealing a number of its most vexing insufficiencies and problematic constructions evokes also a sometimes surprising illuminative potential and capacity to adapt to changing social realities And as the volume s title is meant to suggest the authors represented here tend to agree that the continued rich viability of psychoanalytic theory in cultural analysis is best

appreciated and ensured through engaging the theory's own social historical and cultural contexts The volume includes clinical perspectives on masochism and articles on medieval romance Goethe Sacher Masoch Krafft Ebing's Psychopathia Sexualis Turgenev Tolstoy Multatuli Fassbinder and masochism and postmodernism **Playway to English Level 1**

Passive Revolution Jan Rehmann, 2014-10-23 Basing his research on Gramsci's theory of hegemony Rehmann provides a comprehensive socio analysis of Max Weber's political and intellectual position in the ideological network of his time Max Weber Modernisation as Passive Revolution shows that even though Weber presents his science as value free he is best understood as an organic intellectual of the bourgeoisie who has the mission of providing his class with an intense ethico political education Viewed as a whole his writings present a new model for bourgeois hegemony in the transition to Fordism Weber is both a sharp critic of a passive revolution in Germany tying the bourgeois class to the interests of the agrarian class

and a proponent of a more modern version of passive revolution which would foreclose a socialist revolution by the construction of an industrial bloc consisting of the bourgeoisie and labour aristocracy 1998 Argument Verlag GmbH Hamburg Translated from German Max Weber Modernisierung als passive Revolution Kontextstudien zu Politik Philosophie und Religion im bergang zum Fordismus *Max Weber's Theory of the Modern State* A. Anter, 2014-02-19 Andreas Anter reconstructs Max Weber's theory of the modern state showing its significance to contemporary political science He reveals the ambivalence of Weber's political thought the oscillation between an statist position mainly oriented to the reason of state and an individualistic one focussed on the freedom of individuals
