To Love And Obey Boundaries 3:

The Conclusion of the Sexual Revolution Wylark Day, 2004-05-18 This is a book about sexual morality Not a morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God s Plan for Sex but a minority who deviate from this Plan such as homosexuals are nonetheless necessary for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God

The Perfect Law of Love L. Lynn Derrick, 2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subject the all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13 8 It s all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you

The New Testament: A Translation for Latter-day Saints, Revised Edition Thomas A. Wayment, 2022-11-09 The language of the King James Bible will always be part of the Latter-day Saint cultural fabric in English It is woven into our hymns our ordinances and our scriptural canon and it has been one of the primary vehicles through which we encounter the word of God However when the language of translation becomes too foreign too distant from the present age it is time to consider the possibility of another translation The four hundred year old King James Bible in use by English speaking Latter-day Saints is an artifact of the seventeenth century and is no longer a living and breathing text *The New Testament* was written by the marginalized and impoverished its language is that of common people and not the educated elites *The New Testament A Translation for Latter-day Saints* is an invitation to engage again the meaning of the text for a new and more diverse English readership by rendering the New Testament into modern language in a way that will help a reader more fully understand the teachings of Jesus his disciples and his followers This new revised edition is an effort to correct the first edition in nearly two hundred instances both in the notes and less frequently in the text In addition the introductory material has been expanded to include discussions of the Joseph Smith Translation and on reading scripture and appendices have been added detailing the many instances in which the language of the New Testament appears in other Latter-day Saint
