Censorship, Translation and English Language Fiction in People's Poland Robert Looby, 2015-03-31 This book studies the influence of censorship on the selection and translation of English language fiction in the People's Republic of Poland 1944-1989. It analyses the differences between originals and their translations taking into account the available archival evidence from the files of Poland's Censorship Office as well as the wider social and historical context. The book examines institutional censorship, self-censorship and such issues as national quotas of foreign literature, the varying severity of the regime and criticism as a means to control literature. However, the emphasis remains firmly on how censorship affected the practice of translation. Translators shaped Polish perceptions of foreign literature from Charlie Chan books to Ulysses and from The Wizard of Oz to Moby Dick. But whether translators conformed or rebelled, they were joined in this enterprise by censors and pulled into post-war Poland's cultural power structures.

The Publishers' Circular and Booksellers' Record, 1911 Selected Letters of Norman Mailer Norman Mailer, 2014-12-02 A genuine literary event: an illuminating collection of correspondence from one of the most acclaimed American writers of all time. Over the course of a nearly sixty-year career, Norman Mailer wrote more than 30 novels, essay collections, and nonfiction books. Yet nowhere was he more prolific or more exposed than in his letters. All told, Mailer crafted more than 45,000 pieces of correspondence, approximately 20 million words, many of them deeply personal, keeping a copy of almost every one. Now the best of these are published, most for the first time, in one remarkable volume that spans seven decades and it seems several lifetimes. Together they form a stunning autobiographical portrait of one of the most original, provocative, and outspoken public intellectuals of the twentieth century. Compiled by Mailer's authorized biographer, J. Michael Lennon, and organized by decade, *Selected Letters of Norman Mailer* features the most fascinating of Mailer's missives from 1940 to 2007: letters to his family and friends, to fans and fellow writers including Truman Capote, James Baldwin, and Philip Roth, to political figures from Henry Kissinger to Bill and Hillary Clinton, and to such cultural icons as John Lennon, Marlon Brando, and even Monica Lewinsky. Here is Mailer, the precocious Harvard undergraduate writing home to his parents for the first time and worrying that his acceptances by literary magazines were all happening too easy. Here too is Mailer, the soldier confronting the violence of war in the Pacific, which would become the subject of his masterly debut novel.

The Naked and the Dead I'm amazed how casually it fits into daily life how very unhorrible it all is Mailer the international celebrity pledges to William Styron I'm going to write every day and like Lot's Wife I'm consigning myself to a pillar of salt if I dare to look back while the 1980s Mailer agonizes over the fallout from his ill-fated friendship with Jack Henry Abbott the murderer who became his literary prot g The continuation of our relationship was depressing for both of us he confesses to Joyce Carol Oates At last he finds domestic and erotic bliss in the arms of his sixth wife Norris Church We bounce into each other like sunlight Whether he is reflecting on the Kennedy assassination assessing the merits of authors from Fitzgerald to Proust or threatening to pummel William Styron the brilliant pugnacious Norman Mailer comes alive again in these letters The myriad faces of this artist and activist lover and fighter public figure and private man are laid bare in this collection as never before Praise for Selected Letters of Norman Mailer Extraordinary Vanity Fair As massive as the life they document the autobiography Mailer never wrote a kind of map from the hills and rice paddies of the Philippines through every victory and defeat for the rest of the century and beyond Esquire The shards and winks at Mailer's own past that are scattered throughout the letters are so tantalizing They glitter throughout like unrefined jewels that Mailer took to the grave The New Yorker Indispensable a subtle document of an unsubtle man's wit and erudition even or especially when it's wielded as a weapon New York Umpteen pleasures to pluck out and roll between your teeth like seeds from a pomegranate The New York Times **GB,GBT,GB/T Chinese Standard(English-translated version)-Catalog001-** Dr. Meng Yongye
