To Kiss An Angel:

Kiss an Angel Susan Elizabeth Phillips,1996-02-01 How did pretty flighty Daisy Devreaux find herself in this fix She can either go to jail or marry the mystery man her father has chosen for her Alex Markov however has no intention of playing the loving bridegroom to a spoiled little featherhead with champagne tastes As humorless as he is deadly handsome he drags the irrepressible Daisy away from her uptown life and sets out to tame her Except it won t be as easy as he thinks This man without a soul has met a woman who s nothing but heart Will vows spoken in haste shatter or offer the promise of love everlasting *To Kiss an Angel* Jane Beckenham,2014 [Kiss an Angel with Bonus Material](#) Susan Elizabeth

Phillips,2011-07-26 Pretty flighty Daisy Devreaux can either go to jail or marry the mystery man her father has chosen for her Arranged marriages don t happen in the modern world so how did the irrepressible Daisy find herself in this fix Alex Markov as humorless as he is deadly handsome has no intention of playing the loving bridegroom to a spoiled little feather head with champagne tastes He drags Daisy from her uptown life to a broken down traveling circus and sets out to tame her to his ways But this man without a soul has met his match in a woman who s nothing but heart Before long passion will send them flying sky high without a safety net risking it all in search of a love that will last forever **My Favorite Inspirational**

Do Angels Smooch Do angels smooch If not why so much obsession in lyrics movies and books about angels and kissing Are there any more surprises that Edward Kapambwe unveils in his book Well there is more For example Kapambwe takes us into an in depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before He brings out novel elements that have never been unveiled previously For example he recounts how angels visit our stores They buy the stuff they need before meeting people Haven t you noticed that no angel has ever appeared nude or with wings in real life They come already dressed just like us and that is why we have been unable to identify them We are surrounded by angels both good and evil Evil angels no longer transform themselves into humans Only good angels still do Since there are

no shops in heaven where do they get the stuff they wear Besides that what happens to these apparels after being used The author asserts that angels donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or homes of rich people even though they able to do so without being seen Angels are invisible spirits entities However they have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It s not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be on top of your list
