Building Healthy Relationships Emmanuel Atoe, 2023-02-17 Relationships are what life is made of we form them by what we do how we do it and what we represent When God first made humanity He formed relationships and created a good atmosphere for Adam and Eve to assist one another but unfortunately because of human sin this became difficult Relationships come in many different forms however this book focuses on promoting healthy couple relationships When it comes to relationships everyone has different perceptions and they also react differently when facing challenges Differences in lifestyle and exposure and even Christian homes can create relationship issues Healthy relationships are fostered by properly addressing problems and conflicts in the proper manner God's principle is that people should respond to their differences in a Biblical way and use their disagreements to promote growth and development The primary factor is for the couple to cohabitate in love

Our Lives As Torah Carol Ochs, 2002-02-28 In this powerful book Carol Ochs shows us how to develop a personal theology by examining our life stories learning to recognize God at work in them and bringing them into conversation with Torah Using timeless biblical texts as lenses to see the present she helps us understand who we are and who God is for us by exploring the tightly interwoven basic elements of our lives our love suffering work bodies prayer community and experiences of death Through the process of seeing our experiences in relation to Biblical stories we begin to recognize our lives as part of the ongoing story of the Jewish people as Torah This insight allows us to see these experiences as meaningful not accidental and opens us to recognizing God's power in and through all that happens to us Rather than a collection of random events our lives are part of the Jewish people's ongoing adventure Armed with our personally shaped theology we can face this adventure of living in the vanguard of history with awareness and confidence
