Running Time: 129 minutes

Background and Introduction to To Kill a Mockingbird

To Kill a Mockingbird is a 1962 American drama film that is considered to be one of the best films ever made, and it continues to hold a 91% approval rating on Rotten Tomatoes. Scout Finch (Mary Badham), 6, and her older brother, Jem (Phillip Alford), live in sleepy Maycomb, Alabama in the 1930s, spending much of their time with their friend Dill (John Megna) and spying on their reclusive and mysterious neighbor, Boo Radley (Robert Driscoll). When Atticus (Gregory Peck), their widowed father and a respected lawyer, defends a black man named Tom Robinson (Brook Peters) against fabricated rape charges, the trial and ensuing events expose the children to the evils of racism and stereotyping.

The film received overwhelmingly positive reviews from critics. A box office success, it earned more than 10 times its budget. *To Kill a Mockingbird* won three Academy Awards, including Best Actor for Peck, and was nominated for eight, including Best Picture. In 1995, the film was listed in the National Film Registry. It also ranks twenty-fifth on the American Film Institute's 10th anniversary list of the greatest American movies of all time. In 2008, AFI named Atticus Finch the greatest movie hero of the 20th century. The film was ranked number 34 on AFI's list of the 100 greatest movies of all time, but moved up to number 25 on the 10th Anniversary list. In June 2008, the AFI revealed its "Top ten Ten"—the best ten films in ten "classic" American film genres—after polling over 1,500 people from the creative community. *To Kill a Mockingbird* was acknowledged as the best film in the courtroom drama genre.
