

Tokimeki Girls Side Guide

John Pym

Tokimeki Girls Side Guide:

Mechademia 9 Frenchy Lunning, 2014-11-15 If the source of manga and anime is physically located in Japan the temptation for many critics and scholars is to ask what aspects of Japanese culture and history gave rise to these media This ninth volume of *Mechademia* an annual collection of critical work on anime and manga challenges the tendency to answer the question of origins by reductively generalizing and essentializing Japaneseness The essays brought together in *Mechademia 9* lead us to understand the extent to which Japan might be seen as an idea generated by anime manga and other texts rather than the other way around What is it that manga and anime produce that no other medium can precisely duplicate Is anime its own medium or a genre of animation or something in between And how must we adapt existing critical modes in order to read these new kinds of texts While the authors begin with similar questions about the roots of Japanese popular culture and media they invoke a wide range of theoretical work in the search for answers including feminist criticism disability studies poststructuralist textual criticism postcolonialism art history film theory phenomenology and more Richly provocative and insightful *Mechademia 9* both enacts and resists the pursuit of fixed starting points inspiring further creative investigation of this global artistic phenomenon Contributors Stephen R Anderson Dale K Andrews Tohoku Gakuin U Andrew Ball s Jodie Beck Christopher Bolton Williams College Kukhee Choo Tulane U Ranya Denison U of East Anglia Lucy Fraser Fujimoto Yukari Meiji U Japan Forrest Greenwood Imamura Taihei Seth Jacobowitz Yale U Kim Joon Yang Thomas Lamarre McGill U Margherita Long U of California Riverside Matsumoto Nobuyuki Tokyo National Museum Laura Miller U of Missouri St Louis Alexandra Roedder Paul Roquet Stanford U Brian Ruh Shun ya Yoshimi U of Tokyo Alba G Torrents
