in Fiji, 1835-1998 Padmini Gaunder, 1999 Conversations with memorable personalities Amos Malupenga, 2024-05-21 After
reviewing just part of this book s contents Rex Mudenda a risk management professional and Lusaka based avid reader of
political science literature states This book is loaded There is usually no such a cocktail of prominent personalities covered in
one book I kept on salivating on the featured names under the Conversations section The book has captured a good slice of
Zambia s political story Mulenga Kapwepwe a prolific Zambian author states A page turning thriller of historical social and
political value Each prominent personality comes alive through Amos Malupenga s compelling narrative allowing us rare
glimpses into their personal experiences and connections to pivotal events that have impacted and coloured our fascinating
national story The above is an apt description of this book s contents They are as intriguing as they are gripping Because of
the cocktail of the personalities featured one can safely say these are several books in one On the basis of these
conversations with most of the political figures the author has taken the liberty to draw a parallel between democracy and
theocracy In so doing the author concludes that from the beginning of human history even the best human governments
democracies have failed to solve mankind s serious problems because of bad leadership owing to the inherent imperfection
as a result of sin The bad leadership is increasingly proving to be one of the root causes of all evil in human societies across
the entire inhabited earth Consequently the author asserts that theocracy is the panacea the universal cure the perfect
solution and sovereign remedy to mankind s problems be they big or small *Education in Small States* Mark Bray, Steve
