A Mountain of Evidence Pastor Randy French, 2020-09-01. Wouldn't you like to know today the standard by which you will be judged in eternity tomorrow? That is exactly what Jesus does in the greatest sermon ever told: The Sermon on the Mount. Jesus said, "For I tell you that unless your righteousness surpasses that of the Pharisees and the teachers of the law, you will certainly not enter the kingdom of heaven." (Mt 5:20). This opener provides the basis for His sermon, which spans three chapters in Matthew. In it, Jesus provides for us a comparison between two kingdoms: the kingdom of heaven and the kingdom of self. In His sermon, Jesus gives us all insight into what a true Christian looks like, acts like, sounds like, and even thinks like. The Pharisees were known for their strict adherence to the law and their traditions. Jesus makes it clear to them and to us in this sermon that adherence to the law will not count for eternity. Only by clothing oneself in Christ's righteousness can one hope for eternal life. The world and even the Church at times attempt to redefine a Christian in a way that cheapens Christianity to make it more palatable and pleasing to the unbeliever. Pastor and martyr Dietrich Bonhoeffer called this cheap grace. But the true Christian will not be measured by the world's or even the church's standards. Each and every person will stand before a righteous Judge and be made to give an account for his or her life according to God's Word. This book is a line-by-line explanation of Christ's expectations for every person who professes to be saved by the blood of Jesus Christ. In essence, it is a manual to help us all to understand what it means to be a Christian.

Dungy, 2011-03-15 The New York Times bestseller is now in softcover with a bonus chapter on how the Dare to Be Uncommon movement is reaching schools teams and families across the country and an update on Tony's life since retiring as head coach of the Indianapolis Colts What does it take to live a life of significance When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI fans around the world looked to him as the epitome of success Athletic victory professional excellence fame and celebrity awards and honors he had it all But even in that moment he knew those achievements had little to do with his ultimate significance as a man Coach Dungy still passionately believes that there is a different path to significance a path characterized by attitudes ambitions and allegiances that are all too rare but uncommonly rewarding In the New York Times best seller Uncommon Dungy reveals secrets to achieving significance that he has learned from his remarkable parents his athletic and coaching career his mentors and his walk with God *Let's Go Deeper* J. Lee Grady, 2022 The only thing holding back the spread of the gospel is the church This book will teach me how to go deeper in my relationship with God so that I may become a more fully developed disciple of Jesus to help bring the gospel to the world around me The Bible tells us there is one true God who sits on the throne of the universe He is the Crea

Killing the Church Jeff Parker, 2012 Do you have any voices of truth in your life Is there someone anyone who can be brutally honest with you about you Is the only thing more frightening than listening to a voice of truth being one If there is a responsibility of the church it is to confront to hold us accountable to be that voice of truth But what happens if she doesn't or worse her leaders desire popularity more than our purity Killing the Church is not to be seen as an attack against the Church no more than discipline is an attack against a child The reality is that without correction little can be done to keep child or Church on course And for correction to be effective it first requires confrontation *The Power of Purpose* Michael Catt, 2017-10-01 Why am I here Why is the church here Do we still have a place in the world What is our purpose In an age when formerly great churches struggle to survive baptismal pools are dry and altars empty and the church is aging seemingly indifferent to the next generation we are tempted to believe we have no purpose We are tempted to give up on living the meaningful countercultural lives to which Christ has called us and to give in to a world that encourages us to go with the flow How will we respond In his letter to the Philippians Paul gives advice that is invaluable to the twenty first century church The Philippians were assembled in the middle of a corrupt sensual society fighting against the norms of the world around them They were God's representatives in a secular society and they maintained a singular focus vision and purpose In *The Power of Purpose* Pastor Michael Catt walks us through this letter to the Philippians exploring how God is still calling His church even in the rapidly changing world of the 21st century to be his representatives He is calling us to maintain a singular focus and vision He is calling us to the power of purpose
