And some of her fellow evacuees are far too intent on defending the woman who locked them in this dungeon. Are they really storm victims like Victoria? Or are they accomplices in a sick game? One thing is certain: none of them will survive if they can't find something to eat. And if the stories the others tell about Windy are any indication, Victoria suspects their captor's plans are far more evil than simply watching them die of malnourishment. The blade Windy gave her is proof enough of that. And it won't be long until starvation devours the last of Victoria's sanity.

The End Is the Beginning Matthew Ian Fleming, 2024-10-01 Dragons battle beasts and plagues; it's no wonder Revelation is often called the scariest book in the Bible. And most of us aren't sure what to make of it. What do you think of when you think about the book of Revelation? Prophecy, apocalypse, rapture. While certain evangelicals are steeped in the rhetoric of Revelation, albeit a very particular and peculiar interpretation, the rest of us often have little interaction with Revelation beyond its fire and brimstone reputation. Revelation rarely shows up in the pulpits of mainline

Christian churches and many progressives feel as if Revelation is only for the end is near apocalyptic or Christian Nationalists and QAnon theorists But the book of Revelation offers so much more if we re willing to crack it open in new ways The End Is the Beginning cuts through the echo chamber of rapture haunted apocalyptic anxiety with a clear picture of God s persistent love for all that was and is and will be It will serve as a trusted companion providing tools to carry readers into all corners of Scripture Pastor and writer Matthew Ian Fleming is a sage Revelation guide combining his own stories with shared perspectives from an entourage of interpreters of various generations and diverse backgrounds pastors theologians and people of faith who dare to read Revelation in the face of world wrenching events from the fall of the Berlin Wall to the murder of George Floyd Reading the book of Revelation takes us to the height of heaven and the depths of despair it requires curiosity and courage It means standing in the face of a Christian mechanism fueled by fear to reclaim a message of promise and persistence With equal doses hope and humor Fleming suggests that if we can contend with Revelation it really can change everything
