Goodbye, My Tribe Vic Sizemore,2020-04-14 Goodbye My Tribe An Evangelical Exodus is Vic Sizemore s collection of personal essays chronicling two simultaneous transformations One is the gathering of unconnected and nonpolitical

evangelical congregations across the nation into the political juggernaut called the Religious Right the other is the author's own coming to terms with the emotional and spiritual trauma of his life deep inside fundamentalist Christianity and his struggle to free himself from its grasp Sizemore whose father was a preacher and professor at a small West Virginia Bible college attended Liberty University in Lynchburg Virginia arguably the crucible of American evangelical Christianity Sizemore began writing these essays with the aim of exploring and understanding what happened when the mythology of his tribe crumbled from beneath his feet He draws heavily on his upbringing and his family history as a framework for how his tribe of white evangelicals have found ways to reconcile Christianity with what the author finds to be troubling stances on many social issues among them race gender sexuality materialism anti intellectualism and white supremacy In a clear eyed and eloquent voice Sizemore grapples movingly with his own bewilderment and chagrin as he struggles to reconcile the essential philosophical and moral decay that he believes many evangelicals have come to embrace His insights arranged topically and thematically and told through graceful and accessible prose toggle between memoir and literary journalism along a spectrum that touches on history philosophy theology and personal reflections Defender of the Flame John B. Sixteen Years in Captivity James Optic, 2021-11-19 I never understood just how important a human soul could be to God The soul is the only thing we actually own and the only place I belonged I was raised by a single mother and she loved God with all her heart So many times we would fall asleep to the sound of gunfire Out of this chaos God chose me I fought against Him and His will for so long Every time I knocked down by life and Satan God and all His love would stand me up again stronger than before I sought acceptance through friendship and many of those friendship proved dangerous and destructive to my soul I went on to fight in the Iraq war and for a country that never wanted to accept me I saw the horrors of war and then returned to the never ending horrors of gang violence drugs and poverty I knew something had to change and it had to start with me giving God my soul and my love Not every preacher speaks the will of God Each of us has the power of the Spirit to reach out and help our fellow man We must look outside of ourselves and our community and help all our brothers and sisters in need My hope is that this book serves as a testament to the mercy and love of God and the power of Jesus and the Holy Spirit All of us as believers have access to the gifts God has promised to us Let us use them to bring glory to the name and power of God Amen **Lectures Upon the History of Our Lord and Saviour Jesus Christ** Henry Blunt, 1843
