cocktail a trend that's making an appearance even in upscale restaurants and bars. Innovative and often outrageous, these spirited shots go way beyond the basic lime gelatin and vodka combo. This colorful little book of lip-smacking libations offers twisted takes on old classics such as the Atomic Tonic and the coconut-scented Pia Gelata, as well as crazy new concoctions infused with exotic liqueurs and even Champagne. Silly, sassy, and packed with easy ways to liven up any gathering, *Party Shots* is sure to induce a conversational buzz. [Hot Shots](#) Sarah Scheffel, 2013-10-22. The first book to bring together 100 great shots you can light on fire. A bartender's or drink lover's book that includes recipes for 100 hot shots, combos you can make and then light on fire. Whether the drinks are for festive occasions to woo a love interest or to try what's being served in bars across the country or simply to feel the effects of a great shot, this book has it all. [Gelatin Shot Recipes: Mom Never Made it Like THIS!](#) Lisa Frank, 2008-10-02. What party is complete without the gelatin shots? This installment not only provides more yummy gelatin recipes but also pudding shot recipes. Pudding, yuck, you say. Bite your tongue. You obviously have not tried a White Russian made with White Chocolate pudding, vodka, and coffee liqueur. This book also contains low-carb gelatin and pudding shots for those individuals who are cutting down on carbs but still want to be a part of the shot action. The Strawberry Key Lime Daiquiri was the hit amongst my low-carb friends. The final section contains non-alcoholic gelatin shots. These are good for those who do not drink alcohol or for the kids. Most of these little gems are made with juice instead of water so they contain some Vitamin C to kick. They are always a hit at summer parties with the kids.
