

National Geographic, a part of Clingage Learning, and National Geographic have partnered to create English language learning materials which bring our world and its different cultures to life. Through the wide range of titles covered under this initiative, we are helping change the way the world learns English.

Founded in 1895 as "people people for people", the National Geographic Society is one of the world's largest nonprofit scientific and educational organizations. It reaches more than 300 million people in more than 140 countries through its magazines, books, TV, educational media, maps, films, and more. Through these activities have reached more than 5,000 schools, communities, and educational projects around the world.
