Unintentionally Celibate English Edition:

Peak Libido Dominic Pettman, 2020-09-29 What is the carbon footprint of your libido In this highly original book Dominic Pettman examines the mutual influence and impact of human desire and ecological crisis His account is premised on a simple but startling observation the decline of libido among the world's population the loss of the human sex drive closely tracks the destruction of environments worldwide The advent of the Anthropocene leads to the decline of eros the weakening of the link between sexual pleasure and human reproduction and thus potentially to human extinction Our capacity to care for one another in any meaningful way is being replaced by a restless technologically enhanced zombie drive The environmental crisis of our time is also and simultaneously a crisis of human reproduction and of interpersonal intimacy What Freud called libidinal economy has morphed into libidinal ecology Drawing on the work of a wide range of thinkers from Georges Bataille to Donna Haraway Pettman explores the implications of peak libido linking this development to the new cultural interest in eco sexuality polyamory and other cases of the greening of the libido *Peak Libido* is a forceful reminder that our hearts and loins are primarily ecological organs beholden to their wider environments and as such they share the same fate **Can We**

Still Believe in God? Craig L. Blomberg, 2020-06-16 People regularly give certain reasons for not believing in God but they are much less aware of what the New Testament actually teaches Although challenges to Christianity are perennial and have frequently been addressed they are noticeably more common today and are currently of particular interest among evangelicals Skeptics of Christianity often ask highly regarded biblical scholar and popular speaker Craig Blomberg how he can believe in a faith that seems so problematic How can God allow evil and suffering Isn't the Bible anti women anti gay and pro slavery Isn't the New Testament riddled with contradictions What about the nature of hell violence in Scripture and prayer and predestination Following the author's successful *Can We Still Believe the Bible* this succinct and readable book focuses on what the New Testament teaches about 10 key reasons people give for not believing in God *Political*

Masculinity Susanne Kaiser, 2022-04-21 Men with assault rifles balaclavas and Hawaiian shirts pulled over bulletproof vests Horned warriors with painted faces and fur headdresses draped over their naked torsos The storming of the Capitol brought together men who had previously come across one another only online in the Manosphere These were men with a common interest followers of a male supremacist ideology who rioted in order to fight for their privilege Before then the world had looked on as devastating attacks were carried out by incels those who seek to gain unfettered access to women's bodies by redrawing the hierarchy of the sexes in order to ensure the subjugation of women For all of these men masculinity is a political project and the events at the Capitol were one episode in a growing movement From the US and Canada to New Zealand from Poland to Brazil right wing extremists religious fundamentalists and male supremacists are coming together in order to translate their reactionary dreams of male domination into politics underscoring the masculine roots of the authoritarian backlash Also available as an audiobook **The Palgrave Handbook of Sexual Ethics** David

Boonin,2022-02-08 The Palgrave Handbook of Sexual Ethics is a comprehensive collection of recent research on the ethics of sexual behavior representing a wide range of perspectives It addresses a number of traditional subjects in the area including questions about pre marital extra marital non heterosexual and non procreative sex and about the nature and significance of sexual consent sexual desire and sexual activity as well as a variety of more recent topics including sexual racism sexual ableism sex robots and the metoo response to sexual harassment Each chapter defends a substantive thesis about the topic it addresses and the handbook as a whole thereby provides a strong foundation for future research in this important and growing field of inquiry

Dynamics of Gender Relations Stefanie Ernst,Valerie Dahl,Marta Bucholc,2025-05-22 This edited volume brings together for the first time international research approaches from the field of figurational and processual sociology at the intersection of gender studies It assembles current research on the change of gender relations in formal and informal structures By using Norbert Elias s process sociological oeuvre selected gender figurations in the western and non western world are discussed This book is anchored on the one hand in a socio historical understanding of the trajectory of gendered societies over a wide area and range of centuries in the Process of Civilization On the other hand the immediate impulse for this volume is the critical discussion of Eliasian thinking concerning dynamic gender relations in different empirical case studies and process theory It will be crucial reading for sociologists interested in the Elias school as well as sociologists of gender more broadly

The Routledge International Handbook of Online Deviance Roderick S. Graham,Stephan G. Humer,Claire Seungeun Lee,Veronika Nagy,2024-09-16 Covering a wide range of different online platforms including social media sites and chatrooms this volume is a comprehensive exploration of the current state of sociological and criminological scholarship focused on online deviance Understanding deviance broadly the handbook acknowledges both an objective normative approach and a subjective reactivist approach to the topic putting into sharp relief the distinctions between cybercrime and online deviance on the one hand and wider concerns of online communities related to online deviance on the other Divided into five sections the first section is devoted primarily to scholarship about the theories and methods foundational to exploring online deviance The second section Gender Sex and Sexuality presents empirical research on expressions of gender sex and sexuality in online spaces considered deviant The third section Violence and Aggression highlights scholarship on types of violent communications such as hate speech and cyberstalking The fourth section Communities and Culture describes empirical research on online communities and networks that can be described as deviant by wider society Lastly the fifth section Regional Perspectives highlights research in which a terrestrial location is impactful to the online phenomena studied Providing a window into future scholarship over the next several years and acknowledging the ephemeral nature of research on digital technology The Routledge International Handbook on Online Deviance is essential reading for students and scholars of Criminology and Sociology focused on deviant online behaviour It will also appeal to those working in related areas within Internet Digital Studies Media Communication Studies Psychology

and Cybersecurity *Single* Nicola Slawson, 2025-02-11 An empowering comforting and honest exploration of single life in all its facets In her thirties and single journalist Nicola Slawson was sick of reading narratives about how all single women must be miserable and desperate She wanted stories that reflected her experience so she started The Single Supplement a newsletter for single women that didn't patronize them or assume that their only goal in life was finding a partner The newsletter immediately took off gaining thousands of followers and winning awards and features Now Slawson is ready to cement everything she's learned into a book Using her personal experiences along with insights gleaned from years of interviews Slawson offers us an open witty and warmhearted exploration of single life taking an honest look at its challenges but just as keenly celebrating its joys She writes about feeling left behind and navigating friendships as people get married and have children managing personal finances career ambition and self reliance deciding whether or not to be a single mother dealing with the shame and stigma of being single embracing the freedom and happiness that can be found in being single and so much more A vibrant life is within reach for all of us with or without a partner Whether you are single long term recently keen not to be happy to be considering becoming voluntarily involuntarily and so on Single is an optimistic companion providing comfort hope and understanding to anyone who reads it It is a reminder that you are not alone you have what it takes to handle life's challenges and you deserve to squeeze as much joy as you can out of your life right now instead of feeling like you're waiting for it to start *First Born* Will Dean, 2022-07-05 From the acclaimed author of *The Last Thing to Burn* a psychological thriller about the dark secrets that emerge when a woman's twin sister is murdered with his signature intense gripping taut terrifying moving and brilliant Lisa Jewell 1 New York Times bestselling author prose *Sisters Soulmates Strangers* Molly Raven lives a quiet structured life in London finding comfort in security and routine Her identical twin Katie living in New York is the exact opposite outgoing spontaneous and adventurous But when Molly hears that Katie has died possibly murdered she is thrown into unfamiliar territory As terrifying as it is she knows she must travel across the ocean and find out what happened But as she tracks her twin's final movements cracks begin to emerge and she slowly realizes her sister was not who she thought she was and there's a dangerous web of deceit surrounding the two of them

Feminist Philosophy and Emerging Technologies Mary L. Edwards, S. Orestis Palermos, 2023-10-17 This volume explores urgent questions surrounding the bidirectional relationship between feminist philosophy and emerging technologies It underlines the exigency of feminist philosophical reflections on the design use and understanding of emerging technologies and at the same time accentuates how emerging technologies can uniquely impact the shape of future feminist critique and intervention While feminist philosophers have attended to problems posed by a few specific technologies that emerged in the previous century especially reproductive technologies broader philosophical questions concerning the challenges various new technologies present to feminism have yet to receive the sustained critical attention they deserve *Feminist Philosophy and Emerging Technologies* responds to this problem It is divided into two sections Section 1 provides theoretical

considerations about the links between feminist philosophy and philosophy of technology broadly construed by developing against the background of emerging technologies methodological approaches and guidance for bringing those two fields of philosophical research together Section 2 is dedicated to analyses of specific emerging technologies and user trends their relation to extant structures of oppression and to bringing to the fore various ways in which a feminist philosophy of technology can impact the design of current and future technologies Feminist Philosophy and Emerging Technologies is an excellent resource for scholars and advanced students working in feminist philosophy philosophy of technology ethics political philosophy feminist theory gender and cultural studies and science and technology studies *Cultural*

Conceptualizations in Language and Communication Barbara Lewandowska-Tomaszczyk, 2020-06-10 The book comprises a selection of papers concerning the general theme of cultural conceptualizations in language The focus of Part 1 which includes four papers is on Metaphor and Culture discussing general as well as language specific metaphoricity Part 2 which also includes three papers is on Cultural Models dealing with phenomena relating to family and home nation and kinship blood and death in different cultures Six papers in Part 3 which refers to questions of Identity and Cultural Stereotypes both in general language and in literature discuss identity in native and migration contexts and take up motifs of journey and migration as well as social and cultural stereotypes and prejudice in transforming contexts Three papers in the last Part 4 of the book Linguistic Concepts Meanings and Interaction focus on the semantic interpretation of the changes and differences which occur in their intra as well as inter linguistic contexts **Celibate Sarah** James Blyth, 1904 **Kill All Normies**

Angela Nagle, 2017-06-07 Recent years have seen a revival of the heated culture wars of the 1990s but this time its battle ground is the internet On one side the alt right ranges from the once obscure neo reactionary and white separatist movements to geeky subcultures like 4chan to more mainstream manifestations such as the Trump supporting gay libertarian Milo Yiannopolous On the other side a culture of struggle sessions and virtue signalling lurks behind a therapeutic language of trigger warnings and safe spaces The feminist side of the online culture wars has its equally geeky subcultures right through to its mainstream expression Kill All Normies explores some of the cultural genealogies and past parallels of these styles and subcultures drawing from transgressive styles of 60s libertinism and conservative movements to make the case for a rejection of the perpetual cultural turn **Duelling, the Russian Cultural Imagination, and Masculinity in Crisis**

Amanda DiGioia, 2020-10-12 This book written from a feminist perspective uses the focus of duelling to discuss the nature of masculinity in Russia It traces the development of duelling and masculinity historically from the time of Peter the Great onwards considers how duelling and masculinity have been represented in both literature and film and assesses the high emphasis given in Soviet times to gender equality arguing that this was a failed experiment that ran counter to Russian tradition It examines how duelling continues to be a feature of life in contemporary Russia and relates the situation in Russia to wider scholarship on the nature of masculinity more generally Overall the book contends that Russia's valuing of a strong

militaristic form of masculinity is a major problem **Man-Made** Tracey Spicer,2023-05-03 Walkley Award winning journalist Tracey Spicer exposes the next frontier of feminism through the lens of artificial intelligence Man Made aims to open readers eyes to a transformative technological shift in society and give them the tools to make positive change Winner 2023 Australian Business Book Awards Social Responsibility Longlisted for the 2023 Walkley Book Award Mum I want a robot slave Broadcaster Tracey Spicer had an epiphany when her young son uttered these six words Suddenly her life s work fighting inequality seemed futile What s the point in agitating to change the present if bigotry is being embedded into our futures And so began a quest to uncover who was responsible and hold them to account Who is the ultimate villain Big Tech whose titans refuse to spend money to fix the problem The world s politicians who lack the will to legislate Or should we all be walking into a hall of mirrors and taking a good hard look at ourselves This is a deeply researched illuminating and gripping ride into an uncertain AI fuelled future culminating in a resounding call to action that will shake the tech sector to its foundations Praise for Man Made Exhilarating The book we need as we grapple with how AI will change our lives and our world Dame Quentin Bryce Brilliant hilarious and terrifying You ll never see Alexa the same way again Juanita Phillips Tracey Spicer uses her unmistakably human voice to warn us all about the deeply sexist Frankenstein s Monster that is modern AI Yumi Stynes *Exclusion and Extremism* Andrew H. Hales,Kipling D. Williams,2024-05-23 Explore social exclusion s link to extremism and find prevention and deradicalization strategies through evidence based research **Understanding Cultural Geography** Jon Anderson,2021-04-07 This book outlines how the theoretical ideas empirical foci and methodological techniques of cultural geography make sense of the culture wars that define our time It is on the battleground of culture that our opportunities rights and futures are determined and Understanding Cultural Geography showcases how this discipline can be used to understand these battles and how we can engage in them Through doing so the book not only introduces the reader to the rich and complex history of cultural geography but also the key terms on which the discipline is built From these insights the text approaches place as an ongoing composition of traces highlighting the dynamic and ever changing nature of the world around us and what our role can be in transforming it for the better The third edition has been fully revised and updated to incorporate recent literature and reflect the changing cultural context of its time Retaining its exciting and innovative structure the third edition will expand its focus into new areas including updated chapters on ethnicity and race and new chapters on gender and the body This new edition captures not only recent changes in the cultural world but also the discipline itself offering the most up to date text to understand and engage with the cultural battlegrounds which constitute our lives Understanding Cultural Geography is the ideal text for students being introduced to the discipline through either undergraduate or postgraduate degree courses The third edition is an important update to a highly successful text that incorporates a vast foundation of knowledge it is an invaluable book for lecturers and students

Beyond Beauty Kei Graves,2025-07-17 What does it mean to live a life of beauty and liberation In an era marked by

divisive debates over curriculum justice and inclusion in education this book calls us to return to a fundamental question our shared humanity This book is an integrative work weaving together the lived experiences of educators critical pedagogy aesthetic theories sublimity creativity and feminist philosophies of social justice and antiracism It advances our understanding of oppression by applying aesthetic frameworks to analyze discuss and dismantle dehumanizing systems Aimed at educators higher education faculty and interdisciplinary scholars this book bridges theory and practice It provides actionable strategies for creating classrooms that encourage critical thinking creative expression and sustained engagement with liberatory principles Examining how beauty and sublimity influence our understanding of justice and oppression this book offers a fresh perspective on fostering transformative learning environments Beauty has much to teach us about liberation This text invites readers to explore the complexities of oppression while uncovering how education can leverage beauty and aesthetics to cultivate resilience courage and solidarity For those committed to aligning educational practices with justice and human flourishing this book offers both inspiration and a roadmap for change

Examining the Intersection of Incel and Crypto Bro Phenomena Victoria Kozlova, 2025-04-30 This book addresses the issue of gender underrepresentation in the cryptocurrency domain This thesis attributes it to the presence of unwelcoming and hostile communities around it Grounded in the frameworks of feminist technoscience and situated knowledge this research explores the linguistic landscape of these communities Employing observational netnography and keyword search methodologies the utilisation of incel specific linguistic repertoire in cryptocurrency focused discussions is uncovered on platforms like Discord While the mere use of these terms doesn't directly link cryptocurrency enthusiasts to the incel community their widespread adoption and normalisation can perpetuate harmful stereotypes and discourage individuals who don't align with such ideologies from participating The aim of this thesis is to raise awareness about potential barriers created by often questionable linguistic choices

"Rise, Ye Sea Slugs!" Robin D Gill, 2003 Rise Ye Sea Slugs is a book of many faces First it is a book of translated haiku and contains over 900 of these short Japanese poems in the original smoothly inserted in the main body with phonetic and literal renditions as well as the authors English translations and explanations All but a dozen or two of the haiku are translated for the first time There is an index of poets poems and a bibliography Second it is a book of sea slug haiku for all of the poems are about holothurians which scientists prefer to call sea cucumbers The word cucumber is long for haiku and metaphorically unsuitable for many poems so poetic license was taken With this book the namako as the sea cucumber is called in Japanese becomes the most translated single subject in haiku surpassing the harvest moon the snow the cuckoo butterflies and even cherry blossoms Third it is a book of original haiku While the authors original intent was to include only genuine old haiku dating back to the 17th century modern haiku were added and eventually Keigu Gills haiku name composed about a hundred of his own to help fill out gaps in the metaphorical museum For many if not most modern haiku taken from the web it is also their first time in print Fourth it is a book of metaphor How may we arrange

hundreds of poems on a single theme Gill divides them into 21 main metaphors including the Cold Sea Slug the Mystic Sea Slug the Helpless Sea Slug the Slippery Sea Slug the Silent Sea Slug and the Melancholy Sea Slug giving each a chapter within which the metaphors may be further subdivided and adds a 100 pages of Sundry Sea Slugs scores of varieties including Monster Spam Flying Urban Myth and Exploding Fifth it is a book on haiku Editors usually select only the best haiku but Gill includes good and bad haiku by everyone from the 17th century haiku master to the anonymous haiku rejected in some internet contest This is not to say all poems found were included but that the standard was along more taxonomic or encyclopedic lines poems that filled in a metaphorical or sub metaphorical gap were always welcome Also Gill shows there is more than one type of good haiku These are new ways to approach haiku Sixth it is a book on translation There are approximately 2 translations per haiku and some boast a dozen These are arranged in mixed single double and triple column clusters which make each reading seem a different aspect of a singular almost crystalline whole The authors aim is to demonstrate that multiple reading such as found in Hofstadter's Le Ton Beau de Marot is not only a fun game but a bona fide method of translating especially useful for translating poetry between exotic tongues Seventh it is a book of nature writing natural history or metaphysics in the Emersonian sense Gill tried to compile relevant or interesting not necessarily both historical this includes the sea slug in literature English or Japanese and in folklore and scientific facts to read haiku in their light or conversely bring out science from haiku Unlike most nature writers Gill admits to doing no fieldwork but sluggishly staying put and relying upon reports from more mobile souls Eighth it is a book about food symbolism The sea cucumber is noticed by Japanese because they eat it the eating itself involves physical difficulties slipperiness and hardness and pleasures from overcoming them It is also identified with a state of mind where you are what you eat takes on psychological dimensions not found in the food literature of the West Ninth it is a book about Japanese culture Gill does not set out to explain Japan and the sea slug itself is silent but the collection of poems and their explanations which include analysis by poets who responded to the author's questions as well as historical sources take us all around the culture from ancient myths to contemporary dreams Tenth it is a book about sea cucumbers While most species of sea cucumbers are not mentioned and the coverage of the Japanese sea cucumber is sketchy from the scientific point of view Gill does introduce this animal graced to live with no brain thanks to the smart materials comprising it and blessed for sucking in dirty sediment and pooping it out clean Eleventh it is a book about ambiguity Gill admits there is much that cannot be translated much he cannot know and much to be improved in future editions for which purpose he advises readers to see the on line Glosses and Errata in English and Japanese His policy is to confide in rather than slip by the reader unnoticed in the manner of the invisible modern translator and allow the reader to make choices or choose to allow multiple possibilities to exist by not choosing Twelfth the book is the first of dozens of spin offs from a twenty book haiku saijiki poetic almanac called In Praise of Olde Haiku IPOOH for short Gill hopes to finish within the decade Thirteenth The book is a novelty item It has a different often

witty header caption on top of each page and copious notes that are rarely academic and oftehumorous **Anthony Trollope** Nicholas Birns, John F. Wirenius, 2021-10-20 Anthony Trollope s novels and stories entertain while vividly bringing the Victorian era to life His deep empathy for the underdog led him to subvert conventions exploring the lives of women as well as men and choosing as heroes and heroines outsiders who would be viewed with suspicion by his readers Trollope s profound insight to human nature made him the first novelist in English to develop three dimensional characters and to create the novel sequence This literary companion introduces readers to his life and work A to Z entries explore Trollope s short story collections and nonfiction contributions as well as important themes in the works This companion also includes fresh voices of contributors that bring in their contemporary insights to bear on Trollope s achievements facilitating the understanding of Trollope s perspectives in relation to feminism queer studies and transnationalism
