Each module corresponds with a specific unit topic in the course framework including the contextualization and reasoning process topics that bookend each time period. This approach takes the guesswork out of when to introduce which skills and how to blend sources with content all at a manageable pace that mirrors the scope and sequence of the AP course framework. Seamlessly Integrated AP Skill Workshops for Thinking and Writing Skills. Inspired by the authors' classroom experience and sound pedagogical principles, the instruction in *Fabric of a Nation* scaffolds learning throughout the course of the book. Every module offers an opportunity to either learn or practice new skills to prepare for each section of the AP Exam in an AP Skills Workshop. As the book progresses, the nature of these workshops moves from focused instruction early on to guided practice in the middle of the book and then finally to independent practice near the end of the year. *Fabric of a Nation* was designed to provide you and your students everything needed to succeed in the AP US History course and on the exam. It's all there. AP Exam Practice. We Boast the Most Material. Every period culminates with AP Practice questions providing students a mini AP exam with approximately 15 stimulus-based multiple choice questions, 4 short answer questions, 1 document-based essay question, and 3 long essay questions. Additionally, a full-length practice exam is included at the end of the textbook. Because the modules in this book are divided into periods that perfectly align to the AP U.S. History Course and Exam Description, it's also easy to pair *Fabric of a Nation* with the resources on AP Classroom. Each textbook module can be used with the corresponding AP Daily Videos and Topic Questions, while the AP Exam Practice at the end of each period can be supplemented with the Personal Progress Checks from AP Classroom.
