Woodstock (Classic Reprint) Walter Scott, 2018-04-23 Excerpt from Woodstock It was the object of neither of the great political parties of that day to discredit this narrative which gave great satisfaction both to the cavaliers and roundheads the former conceiving that the license given to the demons was in consequence of the impious desecration of the King's furniture and apartments so that the citizens of Woodstock almost adored the supposed spirits as avengers of the cause of royalty while the friends of the Parliament on the other hand imputed to the malice of the fiend the obstruction of the pious work as they judged that which they had in hand At the risk of prolonging a curious quotation I include a page or two from Mr Hone's Every day Book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Waverley Novels* Sir Walter Scott, 1852 Catalogue Wells, Edgar H. & Co, 1923
