IP (Inspirational Path) Address A.M. Styles, We all have a path in life in which we all must make decisions or choices as to which path we will take I hope this book gives encouraging words that makes those choices seem not so bad Yes we all make mistakes and we all are sinners We can fault others for sinning differently than us I chose the title of the book because in this day and age we are all connected to some device website email etc which requires an IP address If we can connect to the world via the internet highway as it used to be called then why not connect to ourselves by looking deeper within to find the right path for our lives Not everyone's path is the same but we all hope to gain insight into life and bring positive to others in life Here is my contribution to achieve that goal These are my random thoughts from sitting back watching others and what I feel sometimes in my heart and mind I am not perfect nor do I want my readers to feel as though I am I am human and have made mistakes all through my life I wish that I had encouraging words during some of those dark days or nights Instead I chose to encourage myself and at the same time I hope sharing my thoughts may help encourage others
