St. Andrew's Cross, 1895 **Origin of Woman** Sam Kneller, In no country around the world are women treated with equality Patriarchy is rampant and affects women physically economically and professionally Will the equal rights movements obtain justice Are women destined to be a second class gender or will they become equal citizens Women have so much to offer society They are teachers family builders listeners peacemakers counselors In the COVID 19 crisis what would we do without their compassion caring sharing and support What lurks behind closed doors with male chauvinism is unspeakable Reported violence and statistics do not tell the story of mental heartbreak insults ignorance and hardship Scars that mar little girls for life secrets of obsessions passions and overpowering impositions All we know is but the tip of the iceberg Women aspire to warm relationships between the genders They want loving homes fulfilling roles in society support in parenting partnerships for our children A woman craves sensitivity empathy being understood emotional connection They

desire a gentleman compliments conversation looking into their eyes romance and appreciation How long can we afford to have gender war suspicion the waning of binding relationships Online masculine domination in pornography and match making for fast sex could be pounding the final nail in the coffin How can we not only save the genders from one another but draw them closer together If men don t participate in this challenge it s a lost cause Marcel R says about the author s approach to this commentary on Genesis 2 based on Biblical Hebrew A good lesson on word meanings and how to study them It is not always what we think or what we have been taught We need to understand what the authors meant when they wrote this It s clarification time If you ve got an open mind and are looking for forthright insight into a controversial subject then you need to get *Origin of Woman* It answers the question where did woman come from It reveals their equality with the masculine gender but their marked differences as well and why Get the book and discover the astonishing potential of women and their essential role in the 21st century

The Films of Robert Wise Richard C. Keenan, 2007-08-22 From his early days as a film editor at RKO studios where he helped Orson Welles shape *Citizen Kane* to his success as a director and producer of musical blockbusters of the 1960s Robert Wise had a long and illustrious film career Unlike contemporaries such as Alfred Hitchcock John Ford or Howard Hawks however Wise s films lack any clearly discernible characteristics to signify his work There are few striking camera angles or visual flourishes that might distract from the primary obligation to present the story And like Hawks Wise never specialized in one or two genres but brought his directing skills to all manner of films His work as a director resists auteur categorization and that is a chief reason why some critics have been unduly negative in their consideration of his work In *The Films of Robert Wise* Richard Keenan examines the nearly forty features that represent the director s career from *Curse of the Cat People* in 1944 to *A Storm in Summer* 2001 the only television production Wise ever directed Keenan offers a reappraisal of Wise s films so that the true quality of his work can be better appreciated Keenan argues that if there was a flaw in Robert Wise as a director it was that he lacked the ego and temperament of the artist which was not necessarily a flaw at all Indeed Wise was a conscientious craftsman who saw his work not primarily as a vehicle for his own ideas and visual style but as an opportunity to present narrative that quite simply engages informs and entertains It was this perspective that helped produce a number of memorable films over the years including the gritty noir *Born to Kill* the one two punch of *The Set Up* and *Somebody Up There Likes Me* the sci fi prophecy *The Day the Earth Stood Still* and the gripping indictment of capital punishment *I Want to Live* classics all Wise also won a pair of Oscars for two of the most memorable not to mention successful musicals of all time *West Side Story* and *The Sound of Music* Drawing on more than 30 hours of interviews with Wise as well as additional interviews with a number of his collaborators Keenan offers a welcome reassessment of the director s work In his analysis of each film Keenan reveals both Wise the craftsman and the artist In doing so *The Films of Robert Wise* finally confers upon this underappreciated director the recognition he deserves
