WORK-TERM REPORT GUIDELINES

Introduction

The work-term report is an important part of high quality Co-operative Education programs. This assignment provides you with the opportunity to report on your experience with your CO-OP employer and on how the experience relates to your academic studies. Ideally, the report facilitates the integration of knowledge and practice.

Marking

CO-OP academic coordinators are professors in your discipline who mark work-term reports. The list is available under your program page. For now, it is the members of the Graduate Studies Committee who will evaluate your two reports.

The assignment is marked as "pass" or "fail" (official grade), along with a letter grade to provide you with feedback on the quality of your report. Please see Appendix A for general guidelines and Appendix B for the evaluation form that will be used to assess your report.

If your report is judged unsatisfactory (fail), you may be given a one-time opportunity to submit a revised version within a prescribed period of time. Please note that a "fail" affects your cumulative grade point average and results in dismissal from the CO-OP program.

Deadline and drop-off

The work-term report is to be submitted to the Co-operative Education Programs Office by the second Friday of the following session. Be sure to check under "Upcoming Key Dates" on the CO-OP program website for the exact date : <https://corp.uottawa.ca/coe/coop-students/key-dates>

Frequency

All CO-OP students are required to submit a report for each four-month work term. Thus, you will submit two reports in total (one at the end of your first placement and another at the end of your second placement).
