Building an ESL Collection for Young Adults Laura McCaffery,1998-10-28 This annotated bibliography of more than
500 recommended books meets the needs of teachers and librarians for reading materials for young adults for whom English
is a second language Laura McCaffery who has many years of experience with collection development of ESL materials for
young adults has selected the best books on a variety of topics to meet curriculum and personal interest needs of young
adults Most of the books selected were published between 1992 and 1998 The bibliography is organized by topic adventure
mystery and suspense biographies career workplace life skills and parenting folktales myths poetry and classics ethnic
diversity history and geography nature and science and sports Indexes by author subject title and ethnic group make
searching easy Mainstreamed ESL students can use these books to better understand and make use of regular textbooks
Special ESL classes can use the recommended books as part of regular instruction Most of the books recommended are for
the intermediate or advanced beginner reading level in English but some very easy books are also included Most of the books
are suitable for all learners from grades five through adult Each entry contains a complete bibliographical citation Fry
Reading Level Interest Level Library of Congress subjects for cataloging and a 50 to 200 word annotation describing the
book and how it can be used by the librarian or teacher who is working with patrons or students A list of distributors of print
and nonprint ESL materials completes the work
