Phil Edmonston, 2010-05-11. The automotive maven and former Member of Parliament might be the most trusted man in Canada; an inverse relationship to the people he writes about. The Globe and Mail's Lemon Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive Dr. Phil for over 40 years, Edmonston pulls no punches. His Lemon Aid is more potent and provocative than ever.
