Life of Napoleon Bonaparte. [Illustrated.] Napoleon I (Emperor of the French), 1810 *The Life of Napoleon Bonaparte Vol. I. (of IV.)* William Milligan Sloane, 2018-07-08 The Life of Napoleon Bonaparte Vol I of IV By William Milligan Sloane This life of Napoleon was first published in 1896 as a book for the years 1895 96 it ran as a serial in the pages of the Century Magazine Judging from the sales it has been read by many tens if not hundreds of thousands of readers and it has been extensively noticed in the critical journals of both worlds Throughout these fourteen years the demand has been very large and steady considering the size and cost of the volumes Both publishers and author have determined therefore that a library edition was desired by the public and in that confidence the book has been partly rewritten and entirely remade In the main it is the same book as that which has passed through so many editions But in some respects it has been amplified The portion relating to the period of youth has been somewhat expanded the personalities of those nearest to Napoleon have been in some cases more broadly sketched new chapters have been added to the treatment of the Continental system the Louisiana Purchase and the St Helena epoch In all the text has been lengthened about one tenth Under the compulsion of physical dimensions the author has minimized the number of authorities and foot notes There is really very little controversial matter regarding Napoleon which is not a matter of opinion the evidence has been so carefully sifted that substantial agreement as to fact has been reached Accordingly there have been introduced at the opening of chapters or divisions short lists of good references for those who desire to extend their reading experts know their own way It is an interesting fact which throws great light on the slight value of foot notes that while I have had extensive correspondence with my fellow workers there has come to me in all these years but a single request for the source of two statements and one demand for the evidence upon which certain opinions were based The former editions were duplicate books a text by me and a commentary of exquisite illustrations by other hands The divergence was very confusing to serious minds in this edition there can be no similar perplexity since the illustrations have been confined to portraits In putting these volumes through the press in the preparation of the reference lists for volumes three and four and in the rearrangement of the bibliography I have had the assistance of Dr G A Hubbell to whom my obligation is hereby acknowledged William M Sloane New York September 1 1910 We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience *The Life of Napoleon Bonaparte* John Stevens Cabot Abbott, 1882
