The Last Man on Earth Club Paul R. Hardy, 2011-11-11 Six people are gathered for a therapy group deep in the countryside Six people who share a unique and terrible trauma each one is the last survivor of an apocalypse Each of them was rescued from a parallel universe where humanity was wiped out They've survived nuclear war machine uprisings mass suicide the reanimated dead and more They've been given sanctuary on the homeworld of the Interversal Union and placed with Dr Asha Singh a therapist who works with survivors of doomed worlds To help them she'll have to figure out what they've been through what they've suffered and the secrets they're hiding She can't cure them of being the last man or

woman on Earth But she can help them learn to live with the horrors they survived This one won't leave you with the warm and fuzzies but it will leave you thinking and for me that's the mark of great science fiction Sift Book Reviews **Caricature**, 1910 *The Black Cat*, 1902 **Conquest of Granada.
