True Faith in God Charles Okeke, 2016-12-20 TRUE FAITH IN GOD is a book for the Body of Christ in this generation In this book you will learn what faith truly is how to walk by faith and how love and obedience play a key role so that your faith will work *True Faith* Rev. Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's salvation process The blood required by God was to be a mankind's blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith **The Depth of Faith** Jayamon Jacob, 2012-10-22 The ultimate goal of this book is to increase anyones faithlessness weak faith or little faith to a substantial gravity of mature and deep faith in Our Lord and Savior Jesus Christ since true faith is the bridge between God and man The Bible clearly spells out Jesus is the author and finisher of faith and every believer in Him ought to follow His footsteps While reading this book a genuine transformation in your faith may take place and you may feel the amount of faith slowly enhances and spiritual darkness gradually vanishes Feel the light arrive which would eventually portray the bright and morning star and it is nobody but Jesus Christ He is the Bishop of all souls who knocks at every door to open and anyone opens by faith He would dine with him or her and that person would truly understand He is the author and finisher of your faith **Faith Beyond Belief** Joel Dison, 2012-11-12 Understanding Faith And God s Calling Will Help you Unlock Your True Potential We have all experienced the feeling of excitement and enlightenment we get after reading through Paul s letters and being able to grasp his teachings on faith being all we need for salvation Then we move on to the book of James and we find our entire understanding on the subject thrown right out the window The excitement is replaced by confusion and discouragement The Faith we thought we had no longer seems good enough to save us According to James it sounds as if we need to be saved by works Do we What is James speaking about in his letter Does it contradict the teachings of Paul Are we saved based on Faith or on Works Does anyone have the answer that we are searching for The Key

To Understanding True Faith Is Contained Within The Book Of James James has long been the one book that sparks all the debate on the Faith vs Works idea It seems in today s church many just ignore the book of James in an attempt to ease the confusion Yet ignoring something does not remove the fact that this challenge still exists At some point we all have to face the challenge of reading The Book of James It s time to face that challenge It s time to have a guide that can lead you through this book and unlock the secrets that will unleash your true potential as a Christian A guide that will help you discover God s calling on your life A guide that will show you what is true faith In Faith Beyond Belief Author Pastor Joel Dison Is Your Guide As He Explores The Writings Of James And Reveals Key Details On 1 Who the book was written for and how James is the leader of all books on faith 2 What message he was trying to convey 3 How he was challenging his readers to live the life that Jesus had called them to live regardless of circumstance James wanted Christians to both live and show the world what true faith should look like He wanted to remind people of Jesus commandment To love each other In Faith Beyond Belief You Will Learn 1 How building true faith will release good works 2 How to find joy in the trials of life 3 How to apply the teachings of James to the world today 4 How to understand God s calling for our lives 5 How to be merciful humble controlled prayerful and most of all ALIVE Finally A Comprehensive Guide To Understanding The Writings Of James Author Pastor Joel Dison has been teaching this comprehensive study on the book of James for a number of years For the first time he brings this teaching to print in Faith Beyond Belief Faith is critical to successful Christian living and yet it is so often misunderstood and misapplied in the Christian life While Faith is simple it is not just simple belief This book will take you on a journey through the Book of James to discover what it means for a Christian to live by faith This book will help in building that faith stronger Each chapter describes a characteristic of faith as it is portrayed through James letter You will not only discover a fuller explanation of the Book of James but you will also have a better and more practical understanding of faith and how to apply it in your everyday life Take A Few Minutes And Go Back To The Top Of The Page And Take Advantage Of The Look Inside The Book Feature

True Faith WOUTER. VAN DER WESTHUIZEN,2025-02-20 In this modern world can the believer still call out to God for help Is there anywhere they can go to find solutions to life s complex challenges And is there such a thing as false hope Christian homes face daily challenges family relationships social and emotional pressures workplace tensions health scares and uncertain futures They must contend with the realities of this world both in decision making and overcoming obstacles So is there an optimal way for believers to live in an uncertain world Is there perhaps a formula available Is faith the answer The answer lies in the question what impresses God most Scripture is clear that faith is the only life saving power from God This means that believers are saved by grace through faith not by their own efforts and then they walk by faith for the rest of their earthly lives This is the way to live trusting God wholly There is a marked difference between the lives of believers walking by faith and those of non believers That difference is a total reliance on God an inner peace a calm throughout the storm and constant worship of the Father they trust From Genesis to Revelation we learn that the best way for believers to live is to put our trust in God When we do Scripture says we will be rewarded But if trusting God is easy then why the reward A reward is given to the believer who lays down their claims to self sufficiency living by faith is easier said than done because it is in the nature of every person to first rely on themselves their decision making and their own abilities Faith in God is a supernatural way of living on earth and it carries a promise of blessings it s no wonder that the book of Romans says the righteous shall live by trusting God Romans 1 17 Having true faith in God is the only way to live This book gives the reader the opportunity to discover the path to no holds barred faith in a trustworthy Father **More Than Words** Jason E.

Hill,2011-05-27 We live in a world in which there is great confusion about what it means to be a Christian and what it means to have genuine faith Faith is more than belief and being a Christian is more than attending a church service a Bible study or helping out the poor and needy True faith genuine faith in Christ is not something that we need to convince people that we possess Instead true faith is seen through who we are and what we do More Than Words is a book about faith It is not so much a book about what faith is but instead what true faith looks like More Than Words is a practical study of the book of James and provides understanding to what a life truly surrendered to Christ looks like and how it is to be lived More Than Words will encourage and challenge you to examine your hearts and life to see if the faith you claim to have is truly a biblical faith Gospel Grounds and Evidences of the Faith of God's Elect John Owen,1695 True Faith Paul S. Jeon,2012-04-04 It is difficult today to discern much of a difference between Christians and non Christians The person who claims to be a Christian with saving faith seems no different from the one who claims otherwise In this context many are left wondering what true faith is This brief study on Paul s letter to Titus addresses the question of what it means to be a genuine follower of Jesus Christ May this book challenge you to explore afresh the necessity of pursuing good works in view of God s free gift of salvation **Is Faith Blind** Michael Mocatta,2025-05-21 Is Faith Blind is a powerful and thought provoking exploration of the relationship between faith reason evidence and truth Far from promoting blind belief this book argues that God calls us to a faith that is tested rooted in Scripture and grounded in reality Drawing from biblical narratives scientific reasoning historical evidence and personal reflection the author invites readers on a journey to discover a faith that sees clearly Each chapter tackles a foundational question Is doubt the opposite of faith Can we prove God s existence Why does God ask us to believe What role do reason and experience play in spiritual belief Whether you are a seeker a skeptic or a believer looking to deepen your understanding Is Faith Blind offers clarity challenge and encouragement It blends theological insight with accessible explanations to help readers develop a faith that is not naive but wise aware and deeply personal Key features include Engaging chapter studies with scriptural references Questions for personal reflection or group discussion Clear explanations of biblical terms and theological concepts Discover a faith that engages both the heart and the mind and invites you to walk in truth not superstition **Authentic Christianity** Ray C. Stedman,2018-11 In his classic bestseller Authentic Christianity Ray C Stedman takes you to the heart of the gospel offering the reminder that it is all about Jesus living in you Finding Your Voice: How to Speak Your Heart's True Faith Jim Dant,2013-05-01 Answers offered by the most religiously conservative among us frequently sound too narrow Questions asked by those outside the faith seem broad and unmoored As thoughtful Christians we often find it difficult to talk about our faith because at one extreme we re met with simplistic truths and at the other extreme complex wonderings In Finding Your Voice Jim Dant offers the thinking Christian a manageable and credible faith language While respecting the evangelical language of his childhood and those who gave it to him Jim addresses and offers fresh language regarding the issues of God Scripture Jesus Salvation the church the world and more He

provides a language for the things we believe but are not quite sure how to say Jim takes us to his childhood home and introduces us to the language offered him by his faith community He gives an honest accounting of that faith and with an extreme dose of humanity and trust shares with us how that faith has changed The result is a language that makes sense both in and out of church Whether you agree or disagree with Jim s conclusions you are invited into a conversation and perhaps the discovery of your own voice

God of Patience Dexter Yelverton, 2010-06 It has been said that there can be no true faith where the will of God is hidden Likewise there can be no true faith where patience has not been demonstrated Have you ever wondered what factors were at work during the time between Abraham s promise and the provision Have you ever considered why 25 years passed before Abraham received a promise that God gave him the faith to receive The God of Patience explores the power of patience in establishing sonship in the life of Abraham By examining the principle of patience and its relationship to faith The God Of Patience guides the reader into God s heart and mind as he constructs the character and trust of the man who would become the prototype known as the Father of Faith As you delve into the truths of The God of Patience experience the battles victories defeats and ultimate triumph Abraham wins as aligned with the purpose plans and pace of The Almighty Dexter Yelverton is Founder President of Strong Arm Ministries a nonprofit initiative with an evangelistic mandate to empower individuals communities and its constituent s spiritual mental and physical well being through sound biblical economic and health education He is sought for his gift of teaching and exhortation He speaks at various workshops and conferences as well as serves on local boards and advisory commissions As a Christian Dexter s passion is to encourage and empower people to rely on and rest in the sovereign rule of God and the finished work of Jesus
