Winners and Losers in the 'Arab Spring' Yossi (Joseph) Alpher,2019-08-06 This book looks at the way primarily external actors influenced and were influenced by the revolutionary chaos that erupted in the Arab Middle East in 2011 The Arab revolutions radically altered the Middle East dynamic and particularly the strategic standing of key actors both locally and globally The winners are leaders with strategic understanding of the region and a scheme for exploiting the chaos Putin Netanyahu and Iran s Qasem Soleimani along with strikingly the very institution of Arab monarchy The losers are the Arab autocrats who were deposed in Egypt Libya and Yemen The Palestinians seemingly bypassed by the dynamic of Arab revolution are also losers So are the American presidents Bush 43 and Obama whose disastrous strategic decision making catalyzed Arab state fragmentation and opened the gates of the Levant to Iran s drive for regional hegemony Western democratic society suffered too from waves of Islamist terrorism and the effects of Muslim migration generated at least in part by Arab chaos Only in the case of two leaders was the jury still out by 2019 The effects of the high risk policies of Saudi Arabia s crown prince Mohamed bin Salman and the strategically incoherent policies of US President Trump remain to be seen Winners and Losers in the Arab Spring takes a global look at a massive regional upheaval that is far from over It is an essential read for everybody interested in the Arab revolutions Middle East and international strategic affairs

6 Fun Date Ideas to Win Her Heart Volume 1 Kym Kostos,2014-05-20 In my 35 years of dating since I was fifteen years old I have had my fill of good dates and bad dates I am pretty sure we have all had those dates from hell that we tell our friends or ones that we just soon want to forget So what about the ones that turned out perfect Don t have too many of those Don t worry because in this book I will give you some ideas and dates from start to finish for fun first dates romantic dates creative dates indoor dates outdoor dates cheap dates that are easy on your wallet and even a date for those who are miles apart in a long distance relationship Guys always want to impress a girl and sweep her off her feet but sometimes have

no clue as to where to start Females by nature are great planners especially when it comes to events dinners parties and yes even dates Why Because we pay attention to detail and that is what is the most important thing Details tell a girl how you feel about her Simple details to intricate ones either way they are signs of what you really feel about the girl If you take a lot of time planning a great date that tells the girl that you are interested in her and want to get to know her better especially if it s a date that allows you two to talk and get to know each other better Girls love dates like that Taking a girl out tossing a burger down her throat and taking her to a movie is just plain boring That s something you do AFTER you have won her heart and even then it s questionable Whatever happened to the courtship of dating When you take the time to plan and give her a date to remember it shows that you care and want to impress the girl You don t have to have a lot of money either to do this

The Blessings of Poverty Diane Boone,2013-07-25 To being with please understand that I do realize how paradoxical the title of this work may seem In fact I can hear the astonished question you may be asking just now Poverty a blessing How can that be Well lets go to the dictionary and see if the definition of the word blessing can help answer that question In Websters New Collegiate Dictionary we find the following entry next to the word blessing a thing conducive to happiness or wellbeing Most of us are so focused on the happiness part of the definition that we only see Gods hand of blessing when were happy we forget that not everything conducive to our wellbeing makes us feel happy Just as a loving parent will bless their child with both comforts and discipline so God blesses us with both comforts and challenges As I look at the lives of my family and myself I can see how God has strengthened our walk with Him through our financial struggles Because of this fact I say with assurance that financial struggles can be used of the Lord to truly bless us Next I want to ask you to take my use of the word poverty with the proverbial grain of salt as my intent is to use the term in a very tongue in cheek manner Ive actually heard of individuals complaining because they have to choose between landscaping their newly built home or taking a second vacation this year or lamenting the fact that times are so hard they have to cut their annual vacation to Hawaii from the usual four weeks to only two weeks The truth is many many people sharing our world would be ecstatic to have the standard of living that most of us are enjoying So viewed from their perspective wouldnt it seem that if we have a roof over our heads proper clothing to wear and eat three meals a day were doing pretty well for ourselves Its also true that God has spread His children throughout the world in different cultures with different gifts and with different incomes There is nothing wrong with having a comfortable income or owning lovely things And there is certainly nothing wrong with working hard to provide for your family In fact many Godly people mentioned in scripture had a great deal of wealth Abraham Isaac Joseph Job King David and Joseph of Arimathea are just a few that spring to mind There are also many Godly people mentioned in scripture who had very little wealth Mary Joseph the beggar Lazarus the widow with her two mites and our Lord Himself There is nothing inherently more spiritual with one state or the other Those with wealth need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me and how successful Ive been And its been very

interesting for me to realize that those with modest incomes also need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me getting along on a small income must somehow make me more spiritual than the wealthy Did you know that when the Lord was on earth one of His most frequent topics of discussion was money He never condemned wealth He condemned the preoccupation with wealth and the belief that a persons worth or security comes from amassing huge amounts of wealth Regardless of whether we have a large amount of this worlds goods or a small amount it all belongs to God We need to use whatever we do have to further Gods kingdom and honor Him by caring for our families and reaching out to those in need And all of us need to embrace the truths found in Matthew 6 25 34 and find our security in the wonderful care of our loving Heavenly Father I myself was raised in a Christian home by parents who were quite well off financially I just never realized it until I was almost finished with high school Im sure this is partly because Im not a very visual person so I tended not to notice or compare things as much as others But I really think that it wa
