

War is Hell but peacetime is a ... Adventures in VOLAR*

True Confessions of a US Army Drill Sergeant is a true story of my growing up, my 1st 8 years in the Army to include 6 months as a Drill Sergeant Candidate and two years as a Drill Sergeant at Ft Bliss, TX which at the time was the Army's Air Defense Center.

Included are many stories, many funny, some inspirational and some cringe worthy. Included are some of the following:

Dealing with "snakes" in Korea and the desert of west Texas.

The story of the Drill Sergeant theme song...

The best Drill Sergeant joke ever told.

The trainee with two left feet.

The trainee that told me that "his bowels loosen when he gets nervous".

These and many more.

The author served in the Army for 17 years until medically discharged at the rank of Master Sergeant. He did 2 years as a Drill Sergeant at FT Bliss, TX, 3 years at Ft Lewis, WA (2nd Infantry Division), 3 years in Germany (2nd Infantry and 7th Army), 1 Year in Korea (2nd Infantry Division) and his final assignment at Ft Ord, CA with the 7th Infantry Division... He is also a Gold Badge Recruiter.

The author is married and lives in North Carolina.

History of the Great Reformation of the Sixteenth Century in Germany, Switzerland, &c Jean Henri Merle d'Aubigné,1846 **The History of Religious Liberty** Michael Farris,2015-04-01 Early American advocates of freedom did not believe in religious liberty in spite of their Christianity but explicitly because of their individual faith in Christ which had been molded and instructed by the Bible The greatest evidence of their commitment to liberty can be found in their willingness to support the cause of freedom for those different from themselves The assertion that the Enlightenment is

responsible for the American Bill of Rights may be common but it is devoid of any meaningful connection to the actual historical account History reveals a different story intricately gathered from the following Influence of William Tyndale s translation work and the court intrigues of Henry VIII Spread of the Reformation through the eyes of Martin Luther John Knox and John Calvin The fight to establish a bill of rights that would guarantee every American citizen the free exercise of their religion James Madison played a key role in the founding of America and in the establishment of religious liberty But the true heroes of our story are the common people whom Tyndale inspired and Madison marshaled for political victory These individuals read the Word of God for themselves and truly understood both the liberty of the soul and the liberty of the mind The History of Religious Liberty is a sweeping literary work that passionately traces the epic history of religious liberty across three centuries from the turbulent days of medieval Europe to colonial America and the birth pangs of a new nation
