Turn It Up:

Turn it Up! Kelly DuPée, 2021-09-02 Are you and the love of your life as close as you used to be Are conflicts occurring more often than they used to and your relationship is now full of problems Do you dread coming home after work Have you and your spouse simply drifted apart and now you don't know how to reconnect and get back what you once had This book will turn that around and show you what to do Everything is great when you're in love But life has a way of turning that down You start drifting apart conflicts arise you get busy with other things and then you realize the quality of your connection and the closeness you once experienced has diminished Some couples call it quits and walk away But you can do something about this You can TURN IT UP and revive your relationship or marriage TURN IT UP will give you five commitments to make and five skills to learn that will teach you how to strengthen your connection and grow closer to each other again When you turn it up regularly you really can have the kind of marriage you want and have it last a lifetime *Turn It Up* Greg
