Small Church Sunday School:

Indispensable Guide for Smaller Churches David R. Ray, 2009-06-01 This book complements the author's earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches* Ray expands on the earlier works by treating such subjects as communal theology theories and tools for understanding smaller churches worship education and finance His vision is to lead even smaller churches toward the year 2030 **The Small Sunday School**

Leonidas Franklin Sensabaugh, 1924 *Effective Small Churches in the Twenty-First Century* Carl S. Dudley, 2010-09-01 Dudley's work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual's sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation's sense of unity and that motivate its members to more faithfully live out their faith *Small Church, Excellent Ministry* Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God *Small Church Excellent Ministry* is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches **Releasing the Power of the Smaller Church** Shawn McMullen, 2007 *Releasing the Power of the Smaller Church* provides leaders and volunteers in smaller churches with practical principles and workable ideas for more than a dozen areas of ministry Each chapter addresses a felt need of smaller churches and is written by someone who has credibility with leaders and volunteers in smaller churches **Entering the World of the Small Church** Anthony G. Pappas, 2000-11-01 This demonstrates amazingly with unflinching honesty and a wonderfully redeeming sense of humor a resource especially helpful in motivating change and growth by mobilizing the natural strengths of small churches For you who have been looking for a reliable guide to interpret the world of the small church look no further since this provides all the insights you need Includes images and models and strategies that reflect the profound uniqueness of the small church It clearly shows leaders how to lead within the dynamics and culture of the small congregation This is theologically sound and eminently practical A must reading for anyone who is or plans to be a leader in a small church Excellent for small group study

Inside the Small Church Anthony G. Pappas, 2001-11-01 Even as so called megachurches capture the attention of many church watchers small congregations continue to dominate America's religious landscape in both rural and urban settings Although sometimes obscured by their larger siblings these small churches play a prominent role and hold a unique place in

both local and national cultures How can leaders help to keep these often at risk churches alive and to meet their potential for ministry Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations Drawing on classic and updated articles by a variety of writers from his own small church newsletter The Five Stones from Alban journals Action Information and Congregations and adding new pieces developed especially for this volume Pappas provides timeless ideas on learning to value pastor develop and lead the small church In addition to time honored articles by the editor other contributors to this volume include Sherry and Douglas Alan Walrath Gary Farley Lawrence W Farris Loren Mead Caroline Westerhoff Steven Burt Carl Dudley David Ray James Lowery and a host of others known for their work and love for the small church Readers of Inside the Small Church will come away with a renewed love and appreciation for these vital congregations as well as with new skills for ministry
