DIVIDED WE FALL delivers cover to cover action intrigue and suspense all with a gut punch of an ending that'll leave you begging for the next installment Brad Thor author of THE LAST PATRIOT Danny Wright never thought he'd be the man to bring down the United States of America In fact he enlisted in the Idaho National Guard because he wanted to serve his country the way his father did When the Guard is called up on the governor's orders to police a protest in Boise it seems like a routine crowd control mission but then Danny's gun misfires spooking the other soldiers and the already fractious crowd and by the time the smoke clears twelve people are dead The president wants the soldiers arrested The governor swears to protect them And as tensions build on both sides the conflict slowly escalates toward the unthinkable a second American civil war With political questions that are popular in American culture yet rare in YA fiction and a provocative plot that asks what happens when the states are no longer united Divided We Fall is Trent Reedy's very timely YA debut **The Last Full**

Measure (Divided We Fall, Book 3) Trent Reedy, 2016-04-26 Trent Reedy brings his action packed provocative trilogy about the second American Civil War to a stunning and stirring close in The Last Full Measure In a YA trilogy like no other Trent Reedy has raised the most primal questions of our national existence Do we owe our greatest loyalty to our friends Our state Our country Our party How do we reconcile our individual rights and common needs What keeps us all united and what happens if we fall apart Now in this third book the Second Civil War has come to an end in Idaho The Feds have taken the fight to other fronts and Danny and his friends are free of US dominance But that freedom comes with considerable costs from Danny's disturbing flashbacks to the war to the Brotherhood of the White Eagle whose security for Freedom Lake looks more like outright thuggery After Danny makes a shocking discovery about the Brotherhood's final aims he and his friends lead a group of townspeople on a dangerous journey across a ravaged Idaho hoping to build a better society of their own and fulfill the dreams they had in what once was the United States **Arts & Humanities Citation Index**, 1990 A
