Fascism, Totalitarianism and Political Religion Roger Griffin, 2013-09-13. 911 and its aftermath demonstrate the urgent need for political scientists and historians to unravel the tangled relationship of secular ideologies and organized religions to political fanaticism. This major new volume uses a series of case studies by world experts to further our understanding of these complex issues. They examine the connections between fascism, political religion and totalitarianism by exploring two inter-war fascist regimes, two abortive European movements and two post-war American extreme right-wing movements with contrasting religious components. A highlight of this collection is a fresh article from Emilio Gentile, recently awarded an international prize for his contributions to our appreciation of the central role played by political religion in the modern age. This is preceded by an editorial essay by Roger Griffin, one of fascist studies' most original thinkers. Alongside these contributions, the reader is presented with a wealth of work that redefines the complex concept of totalitarian movement and our understanding of generic Fascism. Taken as a whole, it comprehensively analyses the links between particular totalitarian movements and regimes and the concrete historical phenomena produced in the light of current radical theories of fascism, totalitarianism and political religion. This book will be of great interest to all students and scholars of international relations, politics and contemporary history. This volume was previously published as a special issue of the journal *Totalitarian Movements and Political Religions*.

The Mandate of Heaven Nigel Harris, 2015-09-07. For radicals in Europe and North America, the anti-imperialist and Chinese revolutions continued the great task of 1789, 1848 and 1870: the bourgeois revolution in Marx's terms and the creation of nations that would release the energies and unity of purpose to create new worlds of prosperity and freedom. The nationalist focus led to an emphasis on autarkic development: the nation it was said already possessed within its own boundaries all the requirements and resources to match the accomplishments of global civilization. The overthrow of empire in the 1950s and 1960s, of which the coming to power of the Chinese Communist party in 1949 was an important part, seemed to augur a new era in world history, one in which the majority of the world's

population secured liberation There was perhaps a sense in which this was true but the reality for the majority was far removed from this giddy hope And in the case of the ordinary Chinese the newly liberated regime proved far more brutal and exacting than those that it had replaced which also attained high standards of brutality and injustice In China the great famine of 1958-62 was only the most spectacularly cruel and gratuitous product of that new order For the former inhabitants of the old empires national liberation turned out to be not liberation of all but the creation of a new national ruling class as often as not exploiting its position at home to make fortunes then smuggled abroad

All the Nations Under Heaven Robert W. Snyder, 2019-02-12 First published in 1996 *All the Nations Under Heaven* has earned praise and a wide readership for its unparalleled chronicle of the role of immigrants and migrants in shaping the history and culture of New York City This updated edition of a classic text brings the story of the immigrant experience in New York City up to the present with vital new material on the city's revival as a global metropolis with deeply rooted racial and economic inequalities *All the Nations Under Heaven* explores New York City's history through the stories of people who moved there from countless places of origin and indelibly marked its hybrid popular culture its contentious ethnic politics and its relentlessly dynamic economy From Dutch settlement to the extraordinary diversity of today's immigrants the book chronicles successive waves of Irish German Jewish and Italian immigrants and African American and Puerto Rican migrants showing how immigration changes immigrants and immigrants change the city In a compelling narrative synthesis *All the Nations Under Heaven* considers the ongoing tensions between inclusion and exclusion the pursuit of justice and the reality of inequality and the evolving significance of race and ethnicity In an era when immigration inequality and globalization are bitterly debated this revised edition is a timely portrait of New York City through the lenses of migration and immigration

Heaven on Earth Joshua Muravchik, 2019-04-02 Socialism was man's most ambitious attempt to supplant religion with a doctrine claiming to ground itself in science Each failure to create societies of abundance or give birth to the New Man inspired more searching for the path to the promised land revolution communes social democracy communism fascism Arab socialism African socialism None worked and some exacted a staggering human toll Then after two centuries of wishful thinking and bitter disappointment socialism imploded in a *fin de siècle* drama of falling walls and collapsing regimes It was an astonishing denouement but what followed was no less astonishing After the hiatus of a couple of decades new voices were raised as if innocent of all that had come before proposing to try it all over again Joshua Muravchik traces the pursuit of this phantasm presenting sketches of the thinkers and leaders who developed the theory led it to power and presided over its collapse as well as those who are trying to revive it today *Heaven on Earth* is a story filled with character and event while at the same time giving us an epic chronicle of a movement that tried to turn the world upside down and for a time succeeded

From Day to Day Odd Nansen, 2021-04-30 This new hardcover edition of Odd Nansen's diary the first in over sixty-five years contains extensive annotations and other material not found in any other hardcover or paperback versions Nansen a Norwegian was arrested in

1942 by the Nazis and spent the remainder of World War II in concentration camps Grini in Oslo Veidal above the Arctic Circle and Sachsenhausen in Germany For three and a half years Nansen kept a secret diary on tissue paper thin pages later smuggled out by various means including inside the prisoners hollowed out breadboards Unlike writers of retrospective Holocaust memoirs Nansen recorded the mundane and horrific details of camp life as they happened from day to day With an unsparing eye Nansen described the casual brutality and random terror that was the fate of a camp prisoner His entries reveal his constantly frustrated hopes for an early end to the war his longing for his wife and children his horror at the especially barbaric treatment reserved for Jews and his disgust at the anti-Semitism of some of his fellow Norwegians Nansen often confronted his German jailors with unusual outspokenness and sometimes with a sense of humor and absurdity that was not appreciated by his captors After the Putnam's edition received rave reviews in 1949 the book fell into obscurity In 1956 in response to a poll about the most undeservedly neglected book of the preceding quarter century Carl Sandburg singled out *From Day to Day* calling it an epic narrative which took its place among the great affirmations of the power of the human spirit to rise above terror torture and death Indeed Nansen witnessed all the horrors of the camps yet still saw hope for the future He sought reconciliation with the German people even donating the proceeds of the German edition of his book to German refugee relief work Nansen was following in the footsteps of his father Fridtjof an Arctic explorer and humanitarian who was awarded the Nobel Peace Prize in 1922 for his work on behalf of World War I refugees Fridtjof also created the Nansen passport for stateless persons Forty sketches of camp life and death by Nansen an architect and talented draftsman provide a sense of immediacy and acute observation matched by the diary entries The preface is written by Thomas Buergenthal who was Tommy the ten year old survivor of the Auschwitz Death March whom Nansen met at Sachsenhausen and saved using his extra food rations Buergenthal author of *A Lucky Child* formerly served as a judge on the International Court of Justice at The Hague and is a recipient of the 2015 Elie Wiesel Award from the US Holocaust Memorial Museum
