Beyond Chains MarkAnthony Nze,2018-04-28 Michael Nnaji is young affable and extremely brilliant but still struggling He dedicates the entirety of his life to ecclesiastical service and the anointing upon his life is a major source of blessing to many that come across to him However anointing without money is an annoyance so his superior in the church Pastor Kunle Martins orchestrates a multi million dollar deal that requires his information and communication technology expertise which will certainly make him rich stupendously He rejects the juicy offer bluntly and upholds the tenet of his faith while Pastor Martins goes raving mad at him and presents him with a choice either to accept the crooked rich proposition or spend his whole life languishing in gaol Michael prays ardently for divine intervention to be let off the hook but quite unfortunate the charge against him is very grievous and he needs a rapid and effective legal service which he cant really afford to be freed from a damnable incarceration The young pastor hopes for a miracle to get that and one just wonders the possibility of it An absolute expose of the ills venerated personalities perpetrate in the contemporary African society
